

NEW SOUTH WALES—KEY PROJECTS

Key projects listed below do not include road maintenance funding, Black Spot Projects, Bridges Renewal Programme, Heavy Vehicle Safety and Productivity Programme, Roads to Recovery or Untied Local Grants.

Key projects	Funding 2017–18 \$m	Total Australian Government funding 2013–14 to 2020–21 \$m	Location
Andromeda Drive <ul style="list-style-type: none"> • Installation of traffic lights at The Northern Road intersection. 	1.7	1.7	Penrith
Appin Road <ul style="list-style-type: none"> • Upgrade of Appin Road between Rosemeadow and Appin. 	5.0	50.0	Wollondilly Campbelltown
Badgally Road <ul style="list-style-type: none"> • Stage 1 duplication of Badgally Road between Eagle Vale Drive and Blaxland Road. 	1.0	2.0	Campbelltown
Barton Highway Upgrade Package <ul style="list-style-type: none"> • Upgrade of the Barton Highway. 	7.5	50.0	Yass Valley
Bolivia Hill Realignment <ul style="list-style-type: none"> • Realignment of the New England Highway at Bolivia Hill. 	17.0	55.0	Bolivia Hill
Cessnock Road, Testers Hollow <ul style="list-style-type: none"> • Upgrade Cessnock Road. 	0.5	15.0	Maitland
Del Ponte Place to Oceano Street <ul style="list-style-type: none"> • Upgrade Oceano Street. 	2.0	3.8	Copacabana
Dixons Long Point Crossing Feasibility Study <ul style="list-style-type: none"> • Feasibility study into options to upgrade Dixons Long Point Crossing at the Macquarie River. 	0.1	0.1	Orange Mudgee
Dobell Roads Upgrade Package <ul style="list-style-type: none"> • Wattle Tree Road, Holgate • Hutton Road, The Entrance North • Audie Parade, Berkeley Vale • Blenheim Avenue, Berkeley Vale 	9.4	12.3	Central Coast
Dunns Road <ul style="list-style-type: none"> • Sealing of Dunns Road. 	2.5	2.5	Wagga Wagga
Eurobodalla Roads Upgrade Package <ul style="list-style-type: none"> • Various road and intersection upgrades 	4.3	9.0	Eurobodalla
Far North Collector Rd <ul style="list-style-type: none"> • Connecting Illaroo Road in North Nowra to Moss Vale Road 	13.8	13.8	Nowra

Key projects	Funding 2017–18 \$m	Total Australian Government funding 2013–14 to 2020–21 \$m	Location
General Holmes Drive Level Crossing Grade Separation <ul style="list-style-type: none"> Removal of the General Holmes Drive rail level crossing and construction of twin rail bridges and a new road underpass 	19.0	40.0	Sydney
Great Western Highway (Katoomba to Lithgow) <ul style="list-style-type: none"> A package of priority safety upgrades on the Great Western Highway between Katoomba and Lithgow 	23.5	200.0	Katoomba to Lithgow
Jane Street and Mulgoa Road Infrastructure Upgrade <ul style="list-style-type: none"> Upgrade of Jane Street, Mulgoa Road and High Street, Penrith 	15.5	35.0	Penrith
Jewry Street Bridge <ul style="list-style-type: none"> Upgrade of bridge and additional lanes between the bridge and Manilla Road. 	0.5	3.5	Tamworth
Langford Drive and Woy Woy Road Intersection <ul style="list-style-type: none"> Upgrade of Langford Drive and Woy Woy intersection at Kariong 	0.0	0.7	Woy Woy
Lanyon Drive/Tomsitt Drive Intersection <ul style="list-style-type: none"> Signalise intersection of Lanyon Drive and Tomsitt Drive. 	3.5	6.0	Queanbeyan-Palerang
M1 Productivity Package <ul style="list-style-type: none"> Capacity improvements to four sections of the M1 Pacific Motorway 	60.0	195.8	Central Coast
M5 Belmore Road Ramps <ul style="list-style-type: none"> Construction of east-facing ramps from Belmore Road to the M5 Motorway 	1.0	15.0	Sydney
Mulgoa Road <ul style="list-style-type: none"> Upgrade of Mulgoa Road between Blaikie Road and the M4. 	6.9	80.0	Penrith
Mt Lindesay Road <ul style="list-style-type: none"> Realign, construct and upgrade Mt Lindesay Road between Legume and Woodenbong. 	4.0	12.0	Kyogle Tenterfield

Key projects	Funding 2017–18 \$m	Total Australian Government funding 2013–14 to 2020–21 \$m	Location
Munsies Bridge <ul style="list-style-type: none"> Replace Munsies Bridge on Gostwyck Road. 	0.8	0.8	Uralla
Narellan Road <ul style="list-style-type: none"> Upgrade of Narellan Road from four lanes to six lanes between Camden Valley Way and Blaxland Road. 	1.0	53.0	Narellan
National Highway Upgrade Programme <ul style="list-style-type: none"> Newell Highway – Mungle Back Creek to Boggabilla heavy duty pavement construction 	23.0	61.4	Mungle Back Creek
New England Highway – Armidale Airport Roundabout <ul style="list-style-type: none"> Construction of a roundabout. 	1.0	1.0	Armidale
New England Highway – Tenterfield Heavy Vehicle Bypass <ul style="list-style-type: none"> Further planning and preconstruction activities for a bypass of Tenterfield. 	4.7	10.0	Tenterfield
Newcastle Port - Kooragang Island Connectivity <ul style="list-style-type: none"> Duplication of the Tourle Street Bridge and approaches in Newcastle. 	10.0	51.9	Newcastle
NorthConnex <ul style="list-style-type: none"> Construction of twin three-lane tunnels linking the M1 and the M2 Motorways. 	50.0	412.3	Sydney
•			
Pacific Highway <ul style="list-style-type: none"> Completion of the upgrade to dual carriageway of the Pacific Highway by 2020. 	710.1	5,637.9	North Coast
Page Bridge Upgrade Package <ul style="list-style-type: none"> Replacement of various bridges. 	1.5	2.0	Kyogle
Page Road Upgrade Package <ul style="list-style-type: none"> Sealing of Broadwater Road, Wyrallah Road, Conway Street and upgrade Coraki-Woodburn Road. 	1.5	2.0	Lismore Richmond Valley
Park Street, Gresford <ul style="list-style-type: none"> Upgrade Park Street in Gresford. 	1.0	1.0	Dungog

Key projects	Funding 2017–18 \$m	Total Australian Government funding 2013–14 to 2020–21 \$m	Location
Port Botany Rail Line Upgrade (Stage 3) <ul style="list-style-type: none"> Upgrade tracks on the Port Botany Rail Line and investigate capacity enhancements to the Southern Sydney Freight Line 	20.0	75.0	Port Botany
Princes Motorway M1 Improvements – Bellambi Creek to Picton Road <ul style="list-style-type: none"> Construction of additional lanes between Picton Road and Bellambi Creek. 	10.0	42.0	Mt Ousley
Queanbeyan Bypass <ul style="list-style-type: none"> Construction of a bypass of the Queanbeyan CBD. 	10.0	25.0	Queanbeyan
Richmond Roads Package <ul style="list-style-type: none"> Local road and bridge upgrades. 	2.5	2.8	Tweed Ballina Byron
Robertson Road Upgrade Package <ul style="list-style-type: none"> Upgrade of Ryans Road and Davis Street. 	2.7	2.8	Central Coast
Scone Bypass <ul style="list-style-type: none"> Construction of the Scone Bypass. 	30.0	65.0	Scone
Shoalhaven River Bridge Planning <ul style="list-style-type: none"> Planning for an additional crossing of the Shoalhaven River. 	4.0	10.0	Nowra
Tingha-Bundarra Road and Gwydir Highway intersection <ul style="list-style-type: none"> Construction of a roundabout at the intersection. 	1.5	1.5	Inverell
WestConnex <ul style="list-style-type: none"> 33 kilometres of continuous motorway to link western and south-western Sydney with the city, Kingsford Smith Airport and Port Botany precincts and includes the provision of a \$2 billion concessional loan for Stage 2, with \$720 million of the loan available in 2017-18. 	0.0	1,500.0	Sydney
Western Sydney Infrastructure Plan <ul style="list-style-type: none"> Werrington Arterial Road The Northern Road Upgrade M12 Motorway Bringelly Road Upgrade Ross Street Intersection 	694.3	2,234.0 (Including AG funding from 2021–22 onwards, total AG commitment is \$2,670)	Western Sydney

Key projects	Funding 2017–18 \$m	Total Australian Government funding 2013–14 to 2020–21 \$m	Location
Western Sydney Infrastructure Plan – Local Roads Package <ul style="list-style-type: none"> Camden Valley Way/Argyle Street Upgrade Stage 2 - Macarthur Road Intersection Camden Valley Way/Argyle Street Upgrade - Graham Hill Road & Richardson Road Intersection Porrende Street Upgrade The Northern Road Intersections Upgrade Erskine Park Road Intersection Upgrades Signilisation of Bungarabee Road and Flushcombe Road Raby Road from Eschol Park Drive to Stranraer Drive Smithfield Road Upgrade 	30.7	140.0 (Including AG funding from 2021–22 onwards, total AG commitment is \$200)	Western Sydney
Western Sydney Airport preparatory works: <ul style="list-style-type: none"> Funding of planning and preparatory work for the airport site and to develop concept design for rail access through the airport site. 	73.2	115.0	Western Sydney
Through the Asset Recycling Initiative the Commonwealth is also providing a total of \$2.19 billion to New South Wales towards:			
Sydney's Rail Future – 2018 Timetable Program: <ul style="list-style-type: none"> Comprises 10 inter-related infrastructure projects that are designed to enable changes to the rail timetable. The projects include signaling, track, and power upgrades that are required to enable the timetable changes. 		98.4	
Parramatta Light Rail: <ul style="list-style-type: none"> Construction of a new Light Rail line from Westmead to Strathfield via Sydney Olympic Park and to Carlingford via the Carlingford Rail Line. 		78.3	
Pinch Points and Clearways: <ul style="list-style-type: none"> Removing 43 bottlenecks or “pinch points” on Sydney's roads through intersection upgrades, widening of small sections of road, installation of variable message signs and the installation of signage. 		52.2	

Key projects	Funding 2017–18 \$m	Total Australian Government funding 2013–14 to 2020–21 \$m	Location
Smart Motorways:		60.0	
<ul style="list-style-type: none"> Provision of a suite of integrated 'smart' technologies and infrastructure upgrades on the M4 Motorway between Lapstone and Parramatta. 			
Gateway to the South:		39.2	
<ul style="list-style-type: none"> Delivery of pinch point treatments and bus priority improvements on corridors in Southern Sydney to provide short to medium term congestion relief. 			
Regional Road Freight Corridor - New England Highway:		30.3	
<ul style="list-style-type: none"> Delivery of three sub-projects: <ol style="list-style-type: none"> Aberdeen to Willow Tree Pavement Strengthening Package. Singleton Bypass – route options consideration. Belford to Golden Highway duplication – widening the highway from a three lane undivided road to a four lane dual carriageway between Belford and the Golden highway. 			
Regional Road Freight Corridor - Princes Highway:		52.5	
<ul style="list-style-type: none"> Extending the Princes Motorway to bypass Albion Park Rail, with dual carriageway. The bypass and new junction with the Illawarra Highway will have improved flood immunity. 			
Regional Road Freight Corridor - Mitchell Highway:		5.7	
<ul style="list-style-type: none"> 7.2 kilometre realignment of the Mitchell Highway between Orange and Molong. 			

Key projects	Funding 2017–18	Total Australian Government funding 2013–14 to 2020–21	Location
	\$m	\$m	
Regional Road Freight Corridor - Newell Highway:		78.8	
<ul style="list-style-type: none"> • Delivery of three sub-projects: <ol style="list-style-type: none"> 1. Newell Highway upgrades – upgrades including heavy duty pavements; town bypasses; road widening / realignment; and flood mitigation works. 2. Mungle Back Creek to Boggabilla - Heavy Duty Pavement – includes the rehabilitation of 28 kilometres of pavement between Mungle Back Creek and Boggabilla to support the growing number of heavy vehicles. 3. Trewilga section realignment and widening. 			

VICTORIA—KEY PROJECTS

Key projects listed below do not include road maintenance funding, Black Spot Projects, Bridges Renewal Programme, Heavy Vehicle Safety and Productivity Programme, Roads to Recovery or Untied Local Grants.

Key projects	Funding 2017–18 \$m	Total Australian Government funding 2013–14 to 2020–21 \$m	Location
Ballarat Freight Hub <ul style="list-style-type: none"> Provide core infrastructure to enable the operation of a freight facility capable of handling High Productivity Freight Vehicles, within the planned Ballarat West Employment Zone. 	9.0	9.1	Ballarat
Calder Highway – Jock Comini Rest Area Upgrade <ul style="list-style-type: none"> The upgrade of the existing way side stop to provide a formal heavy vehicle rest area with appropriate facilities. 	0.8	6.1	Bendigo
Calder Highway – Ravenswood Interchange <ul style="list-style-type: none"> Construct a grade-separated interchange at the intersection of the Calder Highway and the Calder Alternative Highway. 	14.1	45.0	Bendigo
Condah-Hotspur Road Upgrade <ul style="list-style-type: none"> Upgrade of approximately 14 kilometres of Condah-Hotspur Road, including the widening of the Crawford River Bridge. 	1.2	2.5	Heywood
Great Ocean Road <ul style="list-style-type: none"> Upgrade pavement, stabilise cliff and land slip sites, strengthen bridges, replace guardrails, improve drainage assets and remove vegetation at selected locations between Torquay and Allansford. 	2.8	25.0	South West Victoria
Melbourne Airport Rail Link <ul style="list-style-type: none"> Development of the business case. 	15.0	30.0	Melbourne
Melbourne Port Rail Shuttle <ul style="list-style-type: none"> Deliver a series of rail freight shuttles to move large shipping containers from the Port of Melbourne to freight rail terminals located around the city. 	5.0	38.0	Melbourne
Midland Highway - Doyles Road Intersection Upgrade <ul style="list-style-type: none"> Upgrade the existing roundabout at the intersection of the Midland Highway and Doyles Road in Shepparton East to a two-lane roundabout, together with the duplication of the approach roadways. 	0.0	5.6	Shepparton

Key projects	Funding 2017–18 \$m	Total Australian Government funding 2013–14 to 2020–21 \$m	Location
Murray Basin Freight Rail <ul style="list-style-type: none"> Revitalise rail in the west of Victorian by upgrading and converting this network to the same gauge as the broader interstate network. 	20.2	240.0	Regional Victoria
M80 Ring Road <ul style="list-style-type: none"> Complete the upgrade and widening of the M80 Ring Road. 	0.0	500.0	Melbourne
National Highway Upgrade Programme <ul style="list-style-type: none"> Bridge strengthening works on the Western Highway, Hume Freeway Monash Freeway and Goulburn Valley Highway as well as safety works on the Western Highway between Kaniva and the South Australian Border. 	8.2	32.2	Various
Port of Geelong Access Improvement Package <ul style="list-style-type: none"> A package of works to improve the movement of heavy vehicles from the Princes Freeway to the Port of Geelong. 	0.1	2.63	Geelong
Princes Freeway East – Sand Road Interchange <ul style="list-style-type: none"> Construct a grade-separated interchange at the intersection of Sand Road on the Princes Freeway East. 	5.6	21.5	South East Victoria
Princes Highway East – Traralgon to Sale Duplication <ul style="list-style-type: none"> Duplicate approximately 31 of the 47 kilometres of the Princes Highway East from Traralgon to Sale. 	31.1	145.7	South East Victoria
Princes Highway West – Waurn Ponds to Winchelsea Duplication <ul style="list-style-type: none"> Duplicate 25 kilometres of the Princes Highway West from Waurn Ponds to Winchelsea. 	11.3	19.7	South West Victoria
Princes Highway West – Winchelsea to Colac Duplication <ul style="list-style-type: none"> Duplicate 37 kilometres of the Princes Highway West from Winchelsea to Colac. 	46.0	181.7	South West Victoria
Regional Rail: <ul style="list-style-type: none"> Geelong Rail Line Upgrade North East Rail Line Upgrade Gippsland Rail Line Upgrade 	95.0	500.0	Various

Key projects	Funding 2017–18 \$m	Total Australian Government funding 2013–14 to 2020–21 \$m	Location
<ul style="list-style-type: none"> Avon River Bridge Upgrade Shepparton Line Planning Study 			
South Gippsland Highway – Leongatha Heavy Vehicle Alternate Route <ul style="list-style-type: none"> Upgrade of the existing arterial and local road network to provide a heavy vehicle bypass of the Leongatha town centre. 	0.8	4.67	South East Victoria
St Albans Rail Grade Separation <ul style="list-style-type: none"> Grade separate the rail level crossing at Main Road, St Albans, construct a new premium rail station, bus interchange and pedestrian access and relocate existing car parking. 	55.5	151.0	Melbourne
Tullamarine Freeway Widening (Section 1 of CityLink Tulla Widening) <ul style="list-style-type: none"> Provide an additional lane in each direction on the Tullamarine Freeway from Melrose Drive to Melbourne Airport. 	112.3	200	Melbourne
Western Freeway - Halletts Way Access Ramps and Shared User Path <ul style="list-style-type: none"> Construct east-facing access ramps and a shared user path bridge over the Western Freeway at Halletts Way. 	5.1	12.2	Bacchus Marsh
Western Highway – Ballarat to Stawell Duplication <ul style="list-style-type: none"> Complete planning for the duplication of the Western Highway from Ballarat to Stawell and duplicate 68 kilometres from Ballarat to Ararat. 	76.8	358.8	Western Victoria
Western Highway – Beaufort and Ararat Bypass Planning <ul style="list-style-type: none"> Complete planning for the proposed bypasses at Beaufort and Ararat. The project will identify the preferred alignments, undertake public consultation and amend the relevant planning schemes to allow the bypasses to be constructed in the future. 	0.04	3.0	Western Victoria

Key projects	Funding 2017–18 \$m	Total Australian Government funding 2013–14 to 2020–21 \$m	Location
Western Highway – Stawell to the South Australian Border Upgrade <ul data-bbox="268 479 727 689" style="list-style-type: none"> Targeted upgrades along the highway including the construction of overtaking lanes and rest areas to improve safety and facilitate high productivity freight vehicle access. The project also included planning for a future bypass of Horsham. 	0.0	17.23	Western Victoria
Western Interstate Freight Terminal <ul data-bbox="268 748 699 860" style="list-style-type: none"> Undertake a pre-feasibility study to determine a preferred project option for a freight terminal in Melbourne's west. 	0.2	3.50	Melbourne

QUEENSLAND—KEY PROJECTS

Key projects listed below do not include road maintenance funding, Black Spot Projects, Bridges Renewal Programme, Heavy Vehicle Safety and Productivity Programme, Roads to Recovery or Untied Local Grants.

Key projects	Funding 2017–18 \$m	Total Australian Government funding 2013–14 to 2020–21 \$m	Location
Bruce Highway <ul style="list-style-type: none"> A range of projects and programmes of work on the Bruce Highway to provide a safer, more reliable and efficient Highway. 	552.2	5,800.0 (Including AG funding from 2021–22 onwards, total AG commitment is \$6,700)	Brisbane to Cairns
Cape York Region Package <ul style="list-style-type: none"> A package of road and community infrastructure projects, including upgrading and weather-proofing of the Peninsula Developmental Road. 	54.3	208.4	Cape York
Gateway Upgrade North <ul style="list-style-type: none"> Upgrade of a 11.3 kilometre section of the Gateway Motorway in Brisbane between Nudgee and Bracken Ridge, including widening from four lanes to six, upgrading the Nudgee Interchange and duplication of the Deagon Deviation. 	267.5	914.2	Brisbane
Gold Coast Light Rail – Stage 2 <ul style="list-style-type: none"> Construction of a 7.3 kilometre light rail extension from the Gold Coast University Hospital to the heavy rail network at Helensvale. The project will include new stations at Parkwood and Parkwood East, and a new heavy rail/light rail interchange at Helensvale. 	31.6	95.0	Gold Coast
Pacific Motorway (M1) <ul style="list-style-type: none"> Upgrades to the M1/M3 Gateway Merge, and the Mudgeeraba to Varsity Lakes section of the Motorway. 	54.4	215	Gold Coast/Brisbane

Key projects	Funding 2017–18 \$m	Total Australian Government funding 2013–14 to 2020–21 \$m	Location
Ipswich Motorway – Rocklea to Darra <ul style="list-style-type: none"> Upgrade approximately 3 kilometre section of the Motorway to 3 lanes between Oxley Road to Suscatand Street in both the eastbound and westbound direction and improve flood immunity through construction of a new bridge over Oxley Creek. 	78.5	200.0	Ipswich
Moreton Bay Rail Link <ul style="list-style-type: none"> Delivery of a 12.6 kilometre electrified dual-track passenger rail line between Petrie and Kippa-Ring, including six new stations and upgrades at the Rothwell roundabout. 	10.9	530.05	Moreton Bay
National Highway Upgrade Programme - Queensland <ul style="list-style-type: none"> Safety and upgrade works on sections of the National Land Transport Network in regional Queensland 	19.8	49.3	Regional Queensland
Peak Downs Highway <ul style="list-style-type: none"> Upgrade of the crossing of Eton Range to address safety and operational deficiencies. 	67.3	158.8	Eton Range
Toowoomba Second Range Crossing <ul style="list-style-type: none"> Construction of a bypass to the north of Toowoomba, running from the Warrego Highway at Helidon in the east, to the Gore Highway at Athol in the west 	247.6	1,137.0	Toowoomba
Warrego Highway – Toowoomba to Miles <ul style="list-style-type: none"> A programme of works on the Warrego Highway, delivering pavement widening and lane duplication, additional overtaking lanes and intersection safety upgrades. 	218.70	508.0	Toowoomba to Miles

Key projects	Funding 2017–18 \$m	Total Australian Government funding 2013–14 to 2020–21 \$m	Location
Bowen Basin Service Link – Walkerston Bypass <ul style="list-style-type: none"> Construction of a corridor between the southern end of the Mackay Ring Road and the Peak Downs Highway, bypassing the town of Walkerston. 	6.0	120.0	Mackay
Townsville Eastern Access Rail Corridor <ul style="list-style-type: none"> The project will provide a direct link from the North Coast rail line to the Port of Townsville allowing for longer trains of up to 1.4 km in length into the port and improving traffic flow in the city centre by reducing the number of freight trains using the current line. 	38.7	147.0	Regional Queensland
Cooloola – Noosa Coastal Link Road – Sealing Works <ul style="list-style-type: none"> Sealing works on the Cooloola-Noosa coastal link road. 	0.7	2.0	Sunshine Coast
Capricorn Highway – Rockhampton to Emerald Overtaking Lanes <ul style="list-style-type: none"> Construction of six overtaking lanes on the Capricorn Highway between Rockhampton and Emerald (three eastbound and three westbound). 	2.5	15.2	Rockhampton
Feasibility Study for Burrum Bridge <ul style="list-style-type: none"> Feasibility study for an additional bridge across the Burrum Bridge 	0.1	0.2	Sunshine Coast
Mt Lindesay Highway Upgrade <ul style="list-style-type: none"> The project will upgrade Mt Lindesay Highway between Beaudesert and the Logan Motorway. 	2.5	16.0	South-East Queensland
Philip Street - Gladstone <ul style="list-style-type: none"> Widening a 700 metre stretch of Philip Street adjacent to a proposed community precinct site. 	4.5	20.0	Gladstone

Key projects	Funding 2017–18 \$m	Total Australian Government funding 2013–14 to 2020–21 \$m	Location
Rickertt Road Green Camp Upgrade <ul style="list-style-type: none"> Upgrades to the intersection of Rickertt Road and Green Camp Road 	1.7	5.0	Brisbane
Shore Street Upgrade - Cleveland <ul style="list-style-type: none"> Upgrades to the Cleveland roundabout to include signalisation, turn lanes and safe pedestrian crossing. 	1.1	3.5	Brisbane
Through the Northern Australia Roads Programme, the Australian Government is providing a total of \$223.8 million to Queensland towards:			
Flinders Highway (Townsville – Torrens Creek): Pavement Strengthening and Rehabilitation (Package 1) <ul style="list-style-type: none"> The scope of works for this project includes undertaking approximately 8 kilometres of pavement strengthening and rehabilitation works. 	0.5	13.6	Regional Queensland
Flinders Highway (Charters Towers – Richmond) Culvert upgrades (Package 1) <ul style="list-style-type: none"> The scope of works for this project includes replacing five culverts, which are past their design life and are showing signs of structural fatigue between Charters Towers and Richmond. 	8.9	20.0	Regional Queensland
Barkly Highway (Cloncurry – Mount Isa) Intersection Upgrades in the Mount Isa Urban Area <ul style="list-style-type: none"> The scope of works for this project involves upgrading nine intersections on the Barkly Highway through the Mt Isa urban area. 	0.3	4.96	Regional Queensland
Capricorn Highway (Rockhampton - Duaringa) Rockhampton to Gracemere Duplication <ul style="list-style-type: none"> This project will duplicate (widen from two-lanes to four-lanes) approximately 5 kilometres of the Highway between Rockhampton and Gracemere. 	11.9	59.99	Rockhampton

Key projects	Funding 2017–18 \$m	Total Australian Government funding 2013–14 to 2020–21 \$m	Location
Kennedy Developmental Road (Mount Garnet – The Lynd) Pavement Widening <ul style="list-style-type: none"> The scope of works for this project includes widening (from single-lane to two-lane seal) approximately 3 kilometres of Kennedy Developmental Road between Mount Garnet and the Lynd. 	1.8	2.66	Regional Queensland
Kennedy Developmental Road (The Lynd – Hughenden) Progressive Sealing <ul style="list-style-type: none"> The scope of works for this project includes sealing approximately 36 kilometres of the remaining unsealed sections on the Hann Highway. 	8.0	40.0	Regional Queensland
Bowen Developmental Road – Stage Development <ul style="list-style-type: none"> The project will upgrade unsealed sections of Bowen Developmental Road between the Gregory Developmental Road (near Belyando Crossing) and Collinsville. 	1.6	23.0	Regional Queensland
Landsborough Highway (Longreach – Winton) - Pavement Widening and Strengthening (Package 1) <ul style="list-style-type: none"> The project involves upgrading approximately 24 kilometres of the Landsborough Highway between Longreach and Winton. 	0.5	19.99	Central West Queensland
Peak Downs Highway (Clermont – Nebo) Logan Creek to Nine Mile Creek – Pavement Widening and Strengthening (Package 1) <ul style="list-style-type: none"> This project will strengthen and widen approximately 13 kilometres of the Highway, providing a wider and safer two-lane highway, which will better accommodate over-size and over-mass freight vehicles. 	2.0	28.0	Regional Queensland

Key projects	Funding 2017–18 \$m	Total Australian Government funding 2013–14 to 2020–21 \$m	Location
<p>Rockhampton (Bajool – Port Alma Road) Pavement Widening Port Access Road</p> <ul style="list-style-type: none"> The project will upgrade 14 kilometres of the Bajool - Port Alma Road, to the south east of Rockhampton. 	1.6	11.6	Rockhampton
<p>Through the Northern Australia Beef Roads Programme, the Australian Government is providing a total of \$56.87 million to Queensland towards:</p>			
<p>Rockhampton Road Network - Road Train Access</p> <ul style="list-style-type: none"> Approximately 29 kilometres of the cattle haulage route will be upgraded to provide access for Type 1 Road Trains. The roads to be upgraded include the Capricorn Highway, Bruce Highway, the Rockhampton-Yeppoon Road and the Rockhampton-Emu Park Road. 	11.0	20.0	Rockhampton
<p>Clermont - Alpha Road - Progressive Sealing - Package One</p> <ul style="list-style-type: none"> This package consists of approximately 5 kilometres of sealing works on the Alpha Road to improve productivity, resilience and safety. 	1.5	2.0	Regional Queensland
<p>Clermont - Alpha Rd - Progressive sealing - Package Two</p> <ul style="list-style-type: none"> This package consists of approximately 9.6 kilometres of sealing works on the Alpha Road to improve productivity, resilience and safety. 	0.25	4.0	Regional Queensland
<p>Clermont - Alpha Rd - Progressive sealing - Package Three</p> <ul style="list-style-type: none"> This package consists of approximately 2.3 kilometres of sealing works on the Alpha Road to improve productivity, resilience and safety. 	0.2	1.0	Regional Queensland

Key projects	Funding 2017–18 \$m	Total Australian Government funding 2013–14 to 2020–21 \$m	Location
<p>Ootann Road - Almaden to Kennedy Hwy - Gunnawarra - Progressive Sealing - Package One</p> <ul style="list-style-type: none"> This package involves progressive sealing of approximately 1.4 kilometres of the Ootann Road between Almaden to the Kennedy Highway. 	0.66	0.66	Northern Queensland
<p>Ootann Road - Almaden to Kennedy Hwy - Gunnawarra - Progressive Sealing - Package Two</p> <ul style="list-style-type: none"> This project will strengthen and widen approximately 13 kilometres of the Highway, providing a wider and safer two-lane highway. 	1.3	4.1	Northern Queensland
<p>Burke Developmental Road - Chillagoe to Almaden - Progressive Sealing - Package One</p> <ul style="list-style-type: none"> This package involves approximately 5.2 kilometres of progressive sealing works on unsealed sections of the Burke Developmental Road between Chillagoe to Almaden. 	2.2	4.3	Regional Queensland
<p>Burke Developmental Road - Chillagoe to Almaden - Progressive Sealing - Package Two</p> <ul style="list-style-type: none"> This package involves approximately 1.8 kilometres of progressive sealing works on unsealed sections of the Burke Developmental Road between Chillagoe to Almaden. 	1.3	1.7	Regional Queensland
<p>Gregory Developmental Road - South of Charter Towers – Widening</p> <ul style="list-style-type: none"> The project will widen approximately 8.5 kilometres of road between Belyando Crossing and Collinsville on the Gregory Developmental Road. 	0.4	4.6	Regional Queensland

Key projects	Funding 2017–18 \$m	Total Australian Government funding 2013–14 to 2020–21 \$m	Location
<p>Cloncurry - Dajarra Road - Progressive Sealing</p> <ul style="list-style-type: none"> The project consists of approximately 4.5 kilometres of progressive sealing works on unsealed sections of the Road to improve productivity and safety in the region. 	1.3	2.6	Regional Queensland
<p>Diamantina Developmental Rd (Boulia - Dajarra) Rehabilitation and Widening</p> <ul style="list-style-type: none"> The project involves widening approximately 11.5 kilometres on the Diamantina Developmental Road between Boulia to Dajarra to improve productivity and resilience. 	1.8	4.0	Regional Queensland
<p>Richmond - Winton Rd - Progressive sealing - Package One</p> <ul style="list-style-type: none"> The will seal approximately 7.5 kilometres of the Richmond – Winton Road to a six-metre seal width on eight-metre wide formation. 	1.3	3.0	Regional Queensland
<p>Richmond - Winton Rd - Progressive sealing - Package Two</p> <ul style="list-style-type: none"> The will seal approximately 2 kilometres of the Richmond – Winton Road to a six-metre seal width on eight-metre wide formation. 	0.7	0.8	Regional Queensland

WESTERN AUSTRALIA —KEY PROJECTS

Key projects listed below do not include road maintenance funding, Black Spot Projects, Bridges Renewal Programme, Heavy Vehicle Safety and Productivity Programme, Roads to Recovery or Untied Local Grants.

Key projects	Funding 2017–18 \$m	Total Australian Government funding 2013–14 to 2020–21 \$m	Location
Metronet Projects <ul style="list-style-type: none"> Includes development of business cases, new projects such as Thornlie and Yanchep line extensions, Denny Ave and Davis Road level crossing removal and Bellevue Depot facilitation. 	9.0	792.0	Perth
Armadale Road Duplication – Anstey Road to Tapper Road <ul style="list-style-type: none"> Duplication of Armadale Road between Anstey Road to Tapper Road. 	10.0	116.0	Forrestdale
