

To Who It May Concern,

In relation to the proposed Train Freight line to run through the farmlands of St Kitt's.

As a land owner to who it will affect I would like to voice my concerns about the parcel of land you wish to acquire for the train line.

The parcel of land we own that you intend to build the railway line on is between YATARA Rd & St Kitts West Rd at St Kitts.

My Concern is that if you acquire this parcel of land what you also acquire is the main stock water supply to the property.

There is no mains water in this area and we are total reliant on the permanent water in this part of the St Kitts creek for our property.

Your reply in regards to this matter would be greatly appreciated.

regards,

Anthony Scholz
