# Infrastructure Investment Program

## Heathcote Road Upgrade, Hammondville to Voyager Point

New South Wales

### Australian Government Funding: \$94.0 million

New South Wales Government contribution: \$94.0 million  
Total: \$188.0 million

### Project description

This project involves a 2.2km upgrade of Heathcote Road at Holsworthy to a four lane divided road between Infantry Parade in Hammondville and The Avenue in Voyager Point.

### Jobs supported

- This project is expected to support 493 direct and indirect jobs.

### Project benefits

Benefits include:

- Improved road safety for all road users.
- Reduced congestion and improved travel times.
- Improved connectivity between people with jobs and services, and goods with markets.

### Project timelines

- This project is expected to start in mid 2021 and be finished by late 2023.
