BUILDING OUR FUTURE

Roads of Strategic Importance

Hogbin Drive, Coffs Harbour Airport Freight Access

New South Wales

Australian Government Funding: \$3.0 million

Other Contribution: \$3.0 million
Total: \$6.0 million

Project description

This project involves construction of a new intersection on Hogbin Drive allowing for traffic movements into and out of the new development area, and freight access to the Coffs Harbour Airport. The project will also upgrade the existing intersection at Hogbin Drive and Christmas Bells Road.

Jobs supported

- This project is expected to support 10 direct and indirect jobs, based on Australian Government estimates.

Project benefits

Benefits include:

- Improved road safety for all road users.
- Reduced congestion and improved travel times.
- Improved freight productivity and access to freight gateways.

Project timelines

- This project is expected to start in mid 2021 and be finished by mid 2022.
