BUILDING OUR FUTURE

Infrastructure Investment Program

M1 North Smart Motorway - ANZAC Bridge to Warringah Freeway

New South Wales

Australian Government Funding: \$60.0 million

New South Wales Government contribution: \$60.0 million
Total: \$120.0 million

Project description

This project includes the upgrade of the Sydney motorway network from the ANZAC Bridge in Pyrmont to the Warringah Freeway.

The Smart Motorway project will use complementary technologies to monitor traffic conditions, manage congestion and respond to incidents in real time. It will provide motorists with real-time information about travel times, while bringing together intelligent technologies to ease congestion and provide a safer, smoother and more reliable journey.

Jobs supported

- This project is expected to support 509 direct and indirect jobs.

Project benefits

Benefits include:

- Improved road safety for all road users.
- Reduced congestion and improved travel times.
- Improved efficiency and network reliability.

Project timelines

- This project is expected to start in early 2021 and be finished by late 2023.
