Newell Highway Upgrade – Overtaking Lanes

New South Wales

### Australian Government Funding: \$60.0 million

New South Wales Government contribution: \$12.0 million  
Total: \$72.0 million

### Project description

This project involves construction of a minimum of 45 kilometres of new overtaking lanes on the Newell Highway to improve safety, reduce travel times, allow more accurate travel planning and improve freight productivity.

### Jobs supported

- This project is expected to support 115 direct and indirect jobs.

### Project benefits

Benefits include:

- Improved road safety for all road users.
- Improved efficiency and network reliability.
- Improved freight productivity and access to freight gateways.

### Project timelines

- This project is expected to start in late 2020 and be finished by mid 2022.
