Infrastructure Investment Program

Newell Highway Upgrade – Parkes Bypass

New South Wales

BUILDING OUR FUTURE

Australian Government Funding: \$149.74 million

New South Wales Government contribution: \$37.44 million
Total: \$187.18 million

Project description

This project involves construction of a 10.5 kilometre bypass west of the existing Newell Highway in Parkes. The project will improve connectivity, road transport efficiency and safety for local and interstate motorists.

Jobs supported

- This project is expected to support 423 direct and indirect jobs.

Project benefits

Benefits include:

- Improved road safety for all road users.
- Improved freight productivity and access to freight gateways.
- Improved efficiency and network reliability.
- Reduced congestion and improved travel times.

Project timelines

- This project is expected to start in late 2021 and be finished by late 2024.
