Australian Government Funding: $765.3 million
This includes $750 million in new funding provided in the 2020-21 Budget for the construction of Stage 1 of the Coomera Connector and $5.25 million in additional funding for the Coomera Connector Stage 1 Business Case.
Queensland Government contribution: $765.3 million
Total: $1.53 billion

Project description
This project will complete the business case and deliver Stage 1 of the Coomera Connector, providing a new 18 kilometre connection between Coomera and Nerang. The final scope of the Project will be informed by the business case, however key elements of Stage 1 may include:

- up to six lanes with bridges over the Coomera and Nerang Rivers;
- provision for public transport; and
- active transport facilities.

The full Coomera Connector is a 45 kilometre corridor between Nerang and Loganholme.

Jobs supported
- This project is expected to support 700 direct jobs.

Project benefits
Benefits include:
- Reduced congestion and improved travel times.
- Improved efficiency and network reliability.
- Improved road safety for all road users.

Project timelines
- This project is expected to start mid 2021 and be finished by mid 2024.
