Australian Government Funding: $2.0 million
Queensland Government contribution: $2.0 million
Total: $4.0 million

Project description
This project will upgrade the intersection of Currumbin Creek Road and Bienvenue Drive in Currumbin Waters. Works will include lengthening of turning lanes, provision of an additional departure through lane on Currumbin Creek Road northbound, conversion of the westbound through lane on Bienvenue Drive to a shared through/right lane and upgrades for active transport users.

Jobs supported
This project is expected to support 16 direct jobs.

Project benefits
Benefits include:
- Reduced congestion and improved travel times.
- Improved road safety for all road users.

Project timelines
This project is expected to start in late 2021 and be finished by mid 2022.
