Infrastructure Investment Program

Midland Highway Safety Works Package – Powranna Road to South of Symmons Plains and Tunbridge

Tasmania

Australian Government Funding: \$7.1 million

Tasmanian Government contribution: \$3.1 million
Total: \$10.2 million

Project description

This project will deliver upgrades to the Midland Highway from Powranna Road to South of Symmons Plains and at a separate section of the Midland Highway at Tunbridge. These upgrades will include lane, shoulder and verge widening, installation of targeted median flexible safety barriers and upgrades to roadside drainage, pavement repairs, earthworks, and the relocation of utility services, as required.

Jobs supported

- This project is expected to support 30 direct and indirect jobs, based on Australian Government estimates.

Project benefits

Benefits include:

- Reduced congestion and improved travel times.
- Improved road safety for all road users.
- Improved efficiency and network reliability.

Project timelines

- This project is expected to start in late 2020 and be finished by mid 2021.
