Australian Government Funding: $7.5 million
Victoria Government Contribution: $7.5 million
Total: $15.0 million

Project description
This project will support development of a business case for improving connectivity to Port of Melbourne, including between the Port and the future Interstate Intermodal Terminals.

Project benefits
Benefits include:
- Improved freight productivity and access to freight gateways.
- Improved connectivity between people with jobs and services, and goods with markets.
- Improved freight rail services.
- Improved efficiency and network reliability.

Project timelines
- This project is expected to start in early 2021 and be finished by mid 2023.
