Australian Government Funding: $20.0 million
Western Australian Government contribution: $5.0 million
Total: $25.0 million

Project description
Over a 45 km section of the Brand Highway, the project will:
- Rehabilitate (granular overlay) 30 km of pavement; and
- Widen 27 km including wide audible centreline from Muchea to the Gingin turnoff.

The project complements the recently completed NorthLink WA project.

Jobs supported
- This project is expected to support 150 direct and indirect jobs.

Project benefits
Benefits include:
- Improved road safety for all road users.
- Improved efficiency and network reliability.
- Improved accessibility and connectivity of road networks.

Project timelines
- This project is expected to start in mid 2021 and be finished by mid 2022.
