**Project description**
This project will deliver an upgrade of the Bus Interchange at Canning Bridge, which is one of Perth’s major public transport bus/train interchanges. The project will increase the capacity of the Interchange, allow more efficient public transport scheduling in the Applecross/South Perth area, improve the safety and amenity of public transport journeys, and provide additional road capacity along the Canning Highway.

**Jobs supported**
- This project is expected to support 1050 direct and indirect jobs.

**Project benefits**
Benefits include:
- Improved efficiency and network reliability.
- Improved road safety for all road users.
- Improved connectivity between people with jobs and services.

**Project timelines**
- This project is expected to start in early 2022 and be finished by early 2024.
