Australian Government Funding: $41.6 million
This includes $9.6 million of additional funding for the Port Augusta to Perth corridor provided in 2020-21 Budget
Western Australian Government contribution: $10.4 million
Total: $52.0 million

Project description
The project will reconstruct and realign a 25 kilometre section between Widgiemooltha and Kambalda, together with shoulder sealing and the construction of an overtaking lane in each direction.
The additional funding will continue to improve safety on this important freight route.

Jobs supported
• This project is expected to support 90 direct and indirect jobs, based on Australian Government estimates.

Project benefits
Benefits include:
• Improved road safety for all road users.
• Improved connectivity between people with jobs and services, and goods with markets.
• Improved efficiency and network reliability.

Project timelines
• This project is expected to start in early 2021 and is expected to finish by early 2022.
