**Australian Government Funding:** $45.0 million  
Western Australian Government contribution: $45.0 million  
Total: $90.0 million

**Project description**
The project will upgrade Stirling Bus Interchange, adjacent to the Joondalup rail line, located to the north of the Stephenson Avenue extension across the Mitchell Freeway. The project will construct a new bridge over Mitchell Freeway and deliver associated bus interchange infrastructure, to provide additional interchange capacity and improved bus operations.

**Jobs supported**
- This project is expected to support 625 direct and indirect jobs.

**Project benefits**
Benefits include:
- Improved efficiency and network reliability.
- Improved connectivity between people with jobs and services.

**Project timelines**
- This project is expected to start in late 2021 and be finished by late 2023.
