BUILDING OUR FUTURE

Beltana Road Improvements
Australian Capital Territory

Australian Government funding: \$2.5 million

Australia Capital Territory Government contribution: \$2.5 million
Total: \$5.0 million

Project description

This project involves safety upgrades along the Beltana, Kallaroo and Dapu Place road corridor in Pialligo, including upgrades to the Pialligo Avenue and Beltana Road intersection, the Beltana Road and Kallaroo Road intersection onto Pialligo Avenue, provision of formalised parking spaces, and traffic calming devices.

The positive commercial growth of the area has attracted higher traffic volumes through the area, resulting in a greater demand for parking.

These upgrades will improve safety, connectivity and reduce congestion for all road users.

Jobs supported

- This project is expected to support 16 direct and indirect jobs

Project benefits

- Improved road safety for all road users
- Reduced congestion and improved travel times
- Improved connectivity between people with jobs and services, and goods with markets

Project timelines

- This project is expected to start construction in mid 2022 and be finished construction by mid 2023
