BUILDING OUR FUTURE

Infrastructure Investment Program

Warrego Highway – Mt Crosby Road Interchange

Queensland

Australian Government funding: \$4.0 million

Queensland Government contribution: \$1.0 million

Total: \$5.0 million

Project description

The project will upgrade the Mount Crosby Road interchange on the Warrego Highway in order to provide a more efficient, safe and reliable national highway network for regional and interstate freight and general traffic. This funding is only for the scoping phase at this stage.

Project benefits

- Improved road safety for all road users
- Reduced congestion and improved travel times
- Improved accessibility and connectivity of road networks

Project timelines

- The scoping phase of this project is expected to start in late 2021 and be finished by late 2022
