Infrastructure Investment Program

Eyre Highway Widening and Upgrade Planning Study

South Australia

Australian Government funding: \$1.0 million

South Australian Government contribution: \$1.0 million
Total: \$2.0 million

Project description

This planning study will investigate the widening and upgrade of the Eyre Highway corridor, building on existing work undertaken as part of planning for the Port Augusta to Perth (SA Section) Roads of Strategic Importance corridor.

Project benefits

- Planning and design of future public investments
- Improved freight productivity

Project timelines

- This project is expected to start in early 2022 and be finished by mid 2023
