BUILDING OUR FUTURE

Infrastructure Investment Program

North East Road and Nottage Terrace Intersection Upgrade

South Australia

Australian Government funding: \$3.0 million

South Australian Government contribution: \$3.0 million
Total: \$6.0 million

Project description

This project will deliver safety and capacity improvements at the intersection of North East Road, Nottage Terrace and Stephen Terrace in Collinswood in order to address congestion. The project builds upon the current Urban Congestion Fund project at the adjacent intersection of Main North Road and Nottage Terrace.

Jobs supported

- This project is expected to support 16 direct and indirect jobs based on Australian Government estimates

Project benefits

- Reduced congestion and improved travel times
- Improved efficiency and network reliability
- Improved road safety for all road users

Project timelines

- This project is expected to start construction in early 2022 and be finished construction by late 2022
