BUILDING OUR FUTURE

Infrastructure Investment Program

Dairy Supply Chain Road Upgrades

Victoria

Australian Government funding: \$17.5 million

Victorian Government contribution: \$17.4 million

Total: \$34.9 million

Project description

This project will deliver upgrades to support the dairy industry supply chain in south-west Victoria by providing improved access and safety for High Productivity Freight Vehicles. These upgrades will be targeted towards key freight routes including Cobden-Warrnambool Road, Cobden-Stonyford Road, Camperdown-Cobden Road and associated feeder roads.

Jobs supported

- This project is expected to support 80 direct and indirect jobs based on Australian Government estimates

Project benefits

- Improved road safety for all road users.
- Improved freight productivity
- Improved efficiency and network reliability
- Improved accessibility and connectivity of road networks

Project timelines

- This project is expected to start construction in late 2021 and be finished construction by mid 2022
