BUILDING OUR FUTURE

Infrastructure Investment Program

Brisbane Olympic and Paralympic Games 2032 – Business Case Development
Queensland

Australian Government Funding: \$22.45 million

Queensland Government Contribution: \$22.45 million

Sunshine Coast Council Contribution: \$5.0 million

Total: \$49.9 million

Project description

The project will involve a program of priority planning works to help inform future investment decisions necessary to support the Brisbane Olympic and Paralympic 2032 Games. Locations will be confirmed in consultation with the Queensland Government.

The project includes:

- business cases for further planning on M1 Pacific Motorway;
- business cases for Sunshine Coast road priorities;
- business case for Sunshine Coast Public Transport; and
- preliminary evaluation and business case for Ipswich Motorway (Oxley to Darra) corridor.

The project will target business case development to support timely and robust investment decisions and help deliver an efficient pipeline of value-for-money projects.

Jobs supported

- Jobs figures are not provided for planning or business case projects.

Project benefits

- Improved efficiency and network reliability.
- Improved connectivity between people with jobs and services, and goods with markets.
- Planning and design of future public investments.

Project timelines

- This project is expected to commence in mid-2022 and be completed by mid-2027.
