

Australian Government

BUILDING OUR FUTURE

Infrastructure Investment Program

Main South Road Productivity Package

South Australia

Australian Government Funding: \$16.0 million

South Australian Government Contribution: \$4.0 million
Total: \$20.0 million

Project description

The project will include the construction of an overtaking lane near Delamere (between Yankalilla and the Kangaroo Island Ferry) and the easing of curves between Myponga and Yankalilla). Main South Road is currently the main connection between Adelaide and Kangaroo Island and one of the primary routes for heavy vehicles and other commuters accessing the lower part of the Southern Fleurieu.

Jobs supported

- This project is expected to support 45 direct and indirect jobs.

Project benefits

- Improved road safety for all road users.
- Improved efficiency and network reliability.
- Improved freight productivity.

Project timelines

- This project is expected to commence construction in late 2023 and be completed by early 2025.
