Great Eastern Drive Tourism Support  
Tasmania

### Australian Government Funding: \$100.0 million

Tasmanian Government Contribution: \$25.0 million

**Total: \$125.0 million**

### Project description

This project will provide additional overtaking lanes, upgraded intersections, installation of new pull over areas and shoulder widening at approximately 110 kms of road along the Great Eastern Drive from St Helens to Orford. The upgrades to width, adequate safe overtaking opportunities and intersections will improve safety and driver experience.

### Jobs supported

- This project is expected to support 500 direct and indirect jobs.

### Project benefits

- Improved road safety for all road users.

### Project timelines

- This project is expected to commence construction in late 2024 and be completed by late 2027.
