# Infrastructure Investment Program

Melba Line Bulk Minerals Rail Hub

Tasmania

### Australian Government Funding: \$14.4 million

Tasmanian Government Contribution: \$3.6 million  
**Total: \$18.0 million**

### Project description

This project will construct a new Bulk Minerals Hub at Hampshire (adjacent to the Melba Line). The Hampshire Hub would receive material by road, where it would be stored before being railed into the Port of Burnie for export.

### Jobs supported

- This project is expected to support 25 direct and indirect jobs.

### Project benefits

- Improved freight rail services.

### Project timelines

- This project is expected to commence construction in early 2024 and be completed by late 2025.
