BUILDING OUR FUTURE

Infrastructure Investment Program

Mickleham Road Upgrade
Victoria

Australian Government Funding: \$109.5 million

Victorian Government contribution: \$109.5 million
Total: \$219.0 million

Project description

This project will build additional lanes in each direction on Mickleham Road between Somerton Road and Dellamore Boulevard in Greenvale. The project will also:

- Replace the roundabout at the Somerton Road intersection with traffic lights.
- Add new traffic lights to the Aitken College intersection.
- Upgrade the Hillview Road and Dellamore Boulevard intersections of Mickleham Road.
- Upgrade the existing paths and build new walking and cycling paths to improve connectivity.

Funding towards this project will also deliver a Business Case on Mickleham Road Upgrade Stage 2 which will focus from Dellamore Boulevard to Craigieburn Road.

Jobs supported

- This project is expected to support 545 direct and indirect jobs based on Australian Government estimates.

Project benefits

- Improved road safety for all road users.
- Reduced congestion and improve travel times.
- Improved efficiency and network reliability.
- Improved accessibility and connectivity of road networks.

Project timelines

- This project is expected to commence construction in mid-2023 and be completed by early 2025.
