BUILDING OUR FUTURE

Roads of Strategic Importance

Great Northern Highway – Newman to Port Hedland Overtaking Lanes

Western Australia

Australian Government Funding: \$40.0 million

Western Australian Government Contribution: \$10.0 million

Total: \$50.0 million

Project description

The project will construct or upgrade high priority overtaking lanes along Great Northern Highway between Newman and Port Hedland.

This project will address safety and congestion concerns occurring along this stretch of the Great Northern Highway and support the growth and development of the mining sector within the Pilbara and Mid-West regions.

Jobs supported

- This project is expected to support 90 direct and indirect jobs based on Australian Government estimates.

Project benefits

- Improved accessibility and connectivity of road networks.
- Improved road safety for all road users.
- Reduced congestion and improve travel times.

Project timelines

- This project is expected to commence construction in early 2023 and be completed by late 2025.
