Infrastructure Investment Program

Moorine Rock to Mount Holland Road Upgrades

Western Australia

Australian Government Funding: \$48.0 million

Western Australian Government Contribution: \$12.0 million

Other Contributions: \$60.0 million

Total: \$120.0million

Project description

The project will upgrade local roads from the Great Eastern Highway at Moorine Rock to Mt Holland.

The project will allow for the growth of local industries and enable the efficient movement of goods and services from Mt Holland to the Great Eastern Highway.

Jobs supported

- This project is expected to support 215 direct and indirect jobs based on Australian Government estimates.

Project benefits

- Improved freight productivity and access to freight gateways.
- Improved connectivity between people with jobs and services, and goods with markets

Project timelines

- This project is expected to commence construction in late 2022 and be completed by mid-2024.
