# Infrastructure Investment Program

Tonkin Highway – North Ellenbrook Interchange

Western Australia

### Australian Government Funding: \$50.0 million

Western Australian Government Contribution: \$50.0 million

**Total: \$100.0 million**

### Project description

This project will construct a new interchange on the Tonkin Highway between Warbrook Road and Maralla Road, North Ellenbrook.

The project will also provide for grade separation of the principal shared path along the eastern side of Tonkin Highway, with at grade connections to the networks west of the highway.

The new interchange is anticipated to facilitate future development in the Ellenbrook area.

### Jobs supported

- This project is expected to support 180 direct and indirect jobs based on Australian Government estimates.

### Project benefits

- Improved accessibility and connectivity of road networks.
- Improved connectivity between people with jobs and services, and goods with markets.

### Project timelines

- This project is expected to commence construction in mid-2024 and be completed by late 2025.
