Infrastructure Investment Program

York Light Industrial Area Access Improvements

Western Australia

Australian Government Funding: \$8.0 million

Western Australian Government Contribution: \$1.0 million
Other contributions: \$1.0 million
Total: \$10.0 million

Project description

The project will upgrade the Great Southern Highway and Forrest Street intersection to allow for heavy vehicle access into the York light industrial area.

The project will help to facilitate further development of the York light industrial area, enhance freight efficiency, and improve road safety outcomes for all road users.

Jobs supported

- This project is expected to support 15 direct and indirect jobs based on Australian Government estimates.

Project benefits

- Improved freight productivity.
- Improved road safety for all road users.
- Improved connectivity between people with jobs and services, and goods with markets.

Project timelines

- This project is expected to commence construction in late 2022 and be completed by late 2024.
