**Australian Government Funding: $191 million**

Australian Government: $191 million  
NSW: $191 million

**Problem Description**
The Fixing Local Roads Program is targeted at helping rural and regional councils in NSW improve the local roads that communities use every day. This program includes:

- Pavement rehabilitation;
- Resealing;
- Sealing of unsealed roads;
- Asphalt resurfacing;
- Drainage rehabilitation; and
- Routine maintenance including of cracks and potholes.

This program will assist to accelerate these works, improve safety and support local economies.

**Project Benefits**
Benefits include:
- Improve road safety for all road users.
- Improve efficiency and network reliability.
- This investment is expected to support an estimated 3,500 jobs across regional NSW.

**Project Timelines**
- The Program is expected to commence construction in mid 2020. Due to the nature of the Program consisting of multiple projects the completion of construction will vary.
