## Campbell Town Pedestrian Underpass Tasmania

**BUILDING OUR FUTURE**

### Australian Government Funding: \$4.8 million

Australian Government: \$4.8 million  
Tasmanian Government: \$1.2 million

### Problem Description

This project is expected to progress construction of a pedestrian underpass at the Midland Highway at Campbell Town.

The underpass will address safety concerns and allow pedestrians, and particularly school students, to safely cross this busy section of the Midland Highway.

The underpass will allow the community to access the town's facilities and services in a safe and efficient manner.

### Project Benefits

Benefits include:

- Improve road safety for all road users
- Improve accessibility and connectivity of road networks

### Project Timelines

This project is expected to commence construction in October 2020 and be completed by June 2021.
