Australian Government Funding: $8 million
Australian Government: $8 million
Tasmanian Government: $2 million

Problem Description
This project involves road resurfacing in selected priority areas throughout the Tasmanian road network including, but not limited to:
- Bass Highway;
- Arthur Highway;
- West Tamar Highway;
- Channel Highway;
- Bell Bay Main Road; and
- Bridport Road.

The upgrades are expected to improve road safety and network efficiency for all freight and road users along these priority road networks.

Project Benefits
Benefits include:
- Improved road safety for all road users
- Improved efficiency and network reliability
- Improved accessibility and connectivity of road networks

Project Timelines
This project is expected to commence construction in October 2020 and be completed by June 2021.

State Road Network Enhancements
