

Australian Government Funding: \$12.3 million

Australian Government: \$12.3 million
Tasmanian Government: \$4.7 million

Problem Description

This package of works is expected to deliver a range of road safety upgrades across Tasmania. Australian Government funding for these projects includes:

- \$4 million for Heavy Vehicle Rest Areas – including a new rest area on the East Tamar Highway/Bridport Main Road and expansion of the existing weighbridge site on the Bass Highway near Howarth.
- \$1.8 million for Roadside Barriers – upgrades at on the Arthur, Channel and Huon Highways, Cradle Mountain and Cethana Tourist Roads, Lake Secondary Road, Elephant Pass and Esk Main Road.
- \$1.5 million for Electronic School Zone Signs – installation of signs along the Tasmanian road network at locations such as Boat Harbour School on the Bass Highway and Romaine Primary School in Burnie.
- \$5 million for Huon Highway/Sandfly Road Junction safety upgrades.

Project Benefits

Benefits include:

- Improved road safety for all road users
- Improved efficiency and network reliability
- Improved accessibility and connectivity of road networks

Project Timelines

These projects are expected to commence construction in October/November 2020 and be completed by early 2022.
