

Heavy Vehicle Safety and Productivity Program Round Five

Projects as at September 2019

State	Project Name	Project Description	Total AGC Cost	Total Project Cost	Progress Status	Category	No. of Facilities
NSW	Lockhart Shire Council - Grubben Road Upgrade	Upgrade of Grubben Road, including extending all culverts, increasing pavement width and depth, and sealing 11.5km.	\$937,500	\$1,976,068	Completed	Road Enhancement	1
NSW	Tamworth Regional Council - Appleby Lane Upgrade	Upgrade and seal 5.8km of Appleby Lane and upgrade its associated intersections with Gidley-Appleby Road, and Manilla Road (MR63) to facilitate RAV and HML access.	\$1,566,000	\$4,326,410	Completed	Road Enhancement	1
NSW	Narrandera Shire Council - Barellan Sandy Creek Road Upgrade	Barellan Sandy Creek Road Upgrade - strengthening the pavement and reseal.	\$234,400	\$470,544	Completed	Road Enhancement	1
NSW	Blayney Shire Council - Browns Creek Heavy Vehicle Upgrade	Pavement strengthening, widening and minor realignment of Browns Creek Rd.	\$1,500,000	\$3,502,550	Completed	Road Enhancement	1
NSW	Tumbarumba Shire Council - Clarkes Hill Safety and Productivity Improvement Project	Widen a steep narrow section of Tooma Road and "Clarkes Hill", which is a key freight route and infrastructure link.	\$1,535,792	\$4,044,834	Completed	Road Enhancement	1
NSW	Orange City Council - Clergate Road Upgrade	Widening and strengthening of existing pavement, Intersection upgrades and provision of a median right turn lane.	\$1,423,161	\$2,846,322	Completed	Road Enhancement	1
NSW	Urana Shire Council - Federation Way Freight Link	Reconstruct, upgrade and widen 4.5 kilometres of Federation Way to provide two 3.5m wide lanes, 0.5m shoulders and a higher grade pavement able to carry HPVs.	\$791,189	\$1,631,318	Completed	Road Enhancement	1
NSW	Griffith Shire Council - Griffith Heavy Vehicle Bypass Stage 2	Construct roundabout on Kidman Way (MR321) and Thorne Road.	\$800,000	\$2,782,348	Completed	Road Enhancement	1
NSW	Upper Hunter Shire Council and Liverpool Plains Shire Council - MR358 Upgrade Project	Collaborative project between Upper Hunter Shire Council and Liverpool Plains Shire Council to upgrade MR358 (Merriwa to Willow Tree Road) tonnage limit and safety concerns. Including widening and sealing of road.	\$5,452,000	\$12,162,000	Underway	Road Enhancement	1
NSW	Hilltops Council - Murringo Road Widening and Pavement Repair	Repair and upgrade pavement for HPV along Murringo Road.	\$521,000	\$1,042,000	Completed	Road Enhancement	1
NSW	Weddin Shire Council - Newell to Wirrinya Heavy Vehicle Road Upgrade	Widening and strengthening Bewleys Road and Lows Road.	\$800,000	\$2,000,000	Completed	Road Enhancement	1

State	Project Name	Project Description	Total AGC Cost	Total Project Cost	Progress Status	Category	No. of Facilities
NSW	Upper Lachlan Shire Council - Realignment of the Devil's Elbow Corner MR52	Realignment of Hair Pin Bend on freight route between Crookwell and the Hume Highway.	\$266,546	\$886,408	Completed	Road Enhancement	1
NSW	Cobar Shire Council - Truck Wash Bay	To construct a truck wash at the Cobar Shire Works Depot to reduce heavy vehicle operating costs, improve load carrying capacity (HV productivity) and reduce travel distances or travel times.	\$125,000	\$250,000	Planned	Other	1
NSW	Parkes Shire Council - Upgrade Middle Trundle Road	To undertake further upgrades to Middle Trundle Road to include the widening and seal of a further 4km of the remaining 17km of unsealed road.	\$275,000	\$824,260	Completed	Road Enhancement	1
NSW	Lockhart Shire Council - Urana Lockhart Road Causeway Upgrade	Replace existing aged culverts to Higher Mass Limit (HML); replace existing old concrete causeways with new culverts to HML; reconstruct 620m of pavement to suit new culverts and to HML.	\$660,000	\$1,325,512	Completed	Road Enhancement	1
NSW	Burley Griffin Way - Yoogali Intersection Widening	Widen Intersection of Irrigation Way and Burley Griffin Way at Yoogali, Griffith.	\$4,400,000	\$8,800,000	Planned	Road Enhancement	1
NSW	HW6 Greenthorpe - Bumbaldry Road Intersection Upgrade	Upgrade of the intersection of HW6 (Mid-Western Highway) and Greenthorpe-Bumbaldry Road to accommodate B-Double movements and improve safety.	\$650,000	\$1,300,000	Underway	Road Enhancement	1
NSW	Picton Road Rest Area Acceleration Lanes	To provide acceleration lanes on Picton Road, one eastbound and one west bound, which consider vehicles up to 30m long.	\$2,279,750	\$4,908,800	Completed	Road Enhancement	1
NSW	Kamilaroi Highway Widening of Narrow Culverts	Widening of two narrow culverts located on the Kamilaroi Highway.	\$351,108	\$702,256	Completed	Road Enhancement	1
NSW	Gwydir Shire Council - Warialda high Productivity Vehicle Route	Construction of a new heavy vehicle route around Warialda from Warialda Road to the Gwydir Highway.	\$2,998,350	\$6,566,500	Underway	Road Enhancement	1
NT	Darwin Regional Road Train Assembly Area and Heavy Vehicle Checking and Registry Station	This submission is to secure funding to construct low maintenance Road Train Assembly Area with concrete hardstand.	\$9,650,000	\$19,300,000	Underway	Parking and Decoupling bay	1
NT	Lasseter Highway - Pavement and Seal Widening	Widen the pavement and seal of approximately 15 km of the Lasseter Highway between chainages 29 & 44 km, and 1.5 km between chainages 56.3 & 57.8 km.	\$1,747,699	\$3,495,398	Completed	Road Enhancement	1

State	Project Name	Project Description	Total AGC Cost	Total Project Cost	Progress Status	Category	No. of Facilities
NT	Truck Parking Bays at South Alligator Roadhouse - Arnhem Highway	Construct truck parking areas for up to 4 road trains, including turning lanes at the access points on the Arnhem Hwy.	\$750,000	\$1,500,000	Planned	Parking and Decoupling bay	1
QLD	Boulia Shire Council - Boulia Truck Stop and De-coupling Pad (Donohue Highway)	Combined de-coupling and rest areas for trucks.	\$49,225	\$98,450	Completed	Parking and Decoupling bay	1
QLD	Boulia Shire Council - Boulia Truck Stop Area and De-coupling Bay (Coorabulka Rd.)	Combined de-coupling and rest areas for trucks.	\$49,225	\$98,450	Completed	Parking and Decoupling bay	1
QLD	Boulia Shire Council - Truck Stop Areas for Selwyn Road, Boulia	Combined de-coupling and rest areas for trucks.	\$49,225	\$98,450	Completed	Rest Areas (new or upgrade)	1
QLD	Boulia Shire Council - Boulia Truck Stop Area and De-coupling Pad (Urandangie North Road)	Combined de-coupling and rest areas for trucks.	\$49,225	\$98,450	Completed	Parking and Decoupling bay	1
QLD	Banana Shire Council - Goovigen Connection Rd - Rehabilitation & Safety Upgrade	Rehabilitate failed pavements & install safety guard rails.	\$308,737	\$617,475	Completed	Road Enhancement	1
QLD	Somerset Regional Council - Gregors Creek Road Strengthening and Widening	Widen and strengthen narrow western section of Gregors Creek Road.	\$400,000	\$841,510	Completed	Road Enhancement	1
QLD	Bundaberg Regional Council - Kay McDuff Dr Extension & Bundaberg Ring Rd Connection	Road extension and connection with freight network.	\$1,242,802	\$2,485,607	Completed	Road Enhancement	1
QLD	Mareeba Shire Council - Springmount Road Widening Safety Upgrade	Widen and seal the pavement from 3.7m to 7m of a narrow, winding 1.3km section of the road.	\$265,000	\$531,592	Completed	Road Enhancement	1
QLD	Townsville City Council - Upgrade of Intersections and Lanes on Ingham Rd	The completion of intersections along Ingham Road at Weston Street and Webb Drive.	\$5,170,406	\$10,340,812	Completed	Road Enhancement	1
QLD	Carnarvon Highway - North of Injune Pavement Widening	Widen 15.6 km of narrow pavement to "PBS 4" standard.	\$6,020,000	\$12,040,000	Completed	Road Enhancement	1
QLD	Carnarvon Highway - St George - Surat Pavement Widening	Widen 65.5km of narrow pavement to "PBS 4" standard.	\$8,250,000	\$16,531,000	Completed	Road Enhancement	1
SA	Naracoorte Lucindale Council/Wattle Range Council - Coles Killanoola Road Reconstruction	Reconstruct 2.5km of unsealed road to sealed road.	\$395,500	\$844,460	Completed	Road Enhancement	1
SA	Light Regional Council - East Tce & Perry Road Upgrade, Kapunda	Pavement construction, rehabilitation and sealing of East Tce, Perry Road, to HML B Double standard, including the Perry Road/East Tce intersection.	\$950,000	\$2,002,184	Completed	Road Enhancement	1

State	Project Name	Project Description	Total AGC Cost	Total Project Cost	Progress Status	Category	No. of Facilities
SA	Construction of 4 Rest Areas on the Stuart Highway	Construct three new rest areas on Stuart Highway at MM084, MM431 and MM521, and upgrade an existing parking bay at MM031 to rest area standard.	\$1,600,000	\$3,506,740	Completed	Rest Areas (new or upgrade)	4
SA	Kilsby Road Junctions Upgrades - Mount Gambier	Upgrade to junctions to address safety issues and enable route to be used by 26m B-double HML vehicles.	\$675,000	\$1,490,859	Completed	Road Enhancement	1
SA	Mallala Road, Korunye Rail Crossing	Realignment of road approaching rail crossing to address safety issues and open up new route to Restricted Access Vehicles.	\$1,330,000	\$2,878,849	Completed	Road Enhancement	1
SA	Penola - Casterton and Tower Road Intersection	Upgrade the junction of Penola–Casterton Road and Tower Road, as well as shoulder sealing the 2.59 kilometre section of Casterton Road between Tower Road and the SA border with Victoria, to enable use by HML B-Double vehicles and add the route to the RAV network	\$616,227	\$1,232,454	Completed	Road Enhancement	1
SA	Reedy Creek (Palmer) Road/Wagenknecht Road Intersection	Upgrade the of Reedy Creek Rd and Wagenknecht Rd to allow safe turning for HV's and enable B-Double access.	\$50,000	\$103,645	Completed	Road Enhancement	1
SA	Riddoch Highway (Penola Road) intersection with Wandilo Forest Road/Ridge Road	Upgrade to the junction of Riddoch Highway (Penola Road) with Forest Road / Ridge Road, including sheltered left and right turn lanes to better cater for traffic, especially B-Doubles, for the safety of all road users	\$674,882	\$1,349,764	Completed	Road Enhancement	1
TAS	Murchison Highway Road Improvements Stage 4	Pavement widening and strengthening of a 5km section of the Murchison Highway to meet HPV/HML standards.	\$3,492,000	\$8,268,368	Completed	Road Enhancement	1
VIC	Northern Grampians Shire Council - Landsborough Road	Seal widening upgrade 0.5kms.	\$20,000	\$40,027	Completed	Road Enhancement	1
VIC	Gannawarra Shire Council - Access Upgrade of Quambatook Grain Receival	Upgrade intersection to improve heavy vehicle access to the grain receival complex at Quambatook.	\$240,900	\$482,559	Completed	Road Enhancement	1
VIC	Northern Grampians Shire Council - Ashen's Bridge Road	Seal upgrade and intersection safety upgrade.	\$80,000	\$183,018	Completed	Road Enhancement	1
VIC	Northern Grampians Shire Council - Bolangum Inn Road	Road seal widening works.	\$40,000	\$81,397	Completed	Road Enhancement	1
VIC	Horsham Rural City Council - Dimboola Minyip Road Widening	Widening of existing 3.7m wide road to 6.2m wide to allow safe passage of two vehicles.	\$160,000	\$320,171	Completed	Road Enhancement	1

State	Project Name	Project Description	Total AGC Cost	Total Project Cost	Progress Status	Category	No. of Facilities
VIC	East Gippsland Shire Council - Giles Street Extension	Extension of Giles St to the Bairnsdale Livestock Exchange.	\$588,500	\$2,755,847	Completed	Road Enhancement	1
VIC	Northern Grampians Shire Council - Glenorchy Road	Seal upgrade 1.35kms.	\$90,000	\$180,692	Completed	Road Enhancement	1
VIC	Moyne Shire Council - Grassmere-Hexham Road Heavy Vehicle Safety Upgrade	Widening of 7.27km of sealed road to 6.5m seal plus shoulders.	\$975,000	\$2,036,250	Completed	Road Enhancement	1
VIC	Mansfield Shire Council - Construction of a Heavy Vehicle Bypass for Mansfield Township	Construction of a heavy vehicle bypass for Mansfield Township.	\$700,000	\$1,400,000	Planned	Road Enhancement	1
VIC	City of Greater Geelong - North Geelong Port Access Improvement	Improve freight access into Geelong Port through minor road improvements including offsetting a centre line by 1m; widening a kerb with median island; and implementing a parking plan in McLeod St.	\$75,000	\$217,578	Completed	Road Enhancement	1
VIC	Northern Grampians Shire Council - Sutherland Road	Seal upgrade and intersection safety upgrade.	\$250,000	\$528,045	Completed	Road Enhancement	1
VIC	Surf Coast Shire Council - Upgrading of Forest Road and Grays Road, Paraparap	Widen and strengthen existing sealed quarry access road.	\$1,070,000	\$2,140,000	Completed	Road Enhancement	1
VIC	Northern Grampians Shire Council - Western Highway Service Road, Stawell	Intersection safety upgrade.	\$35,000	\$70,167	Completed	Road Enhancement	1
VIC	Bass Highway/Korumburra-Wonthaggi Road, Wonthaggi, Intersection Signals	Installation of traffic signals with raised safety platforms at an existing cross roads.	\$1,520,000	\$3,765,000	Completed	Road Enhancement	1
VIC	Calder Hwy, between Ouyen and Mildura	Trial a low cost, wide centreline treatment (approx. 1.0m wide) over a 5km length on the Calder Hwy.	\$125,000	\$250,000	Completed	Road Enhancement	1
VIC	Hume Freeway Balmattum Rest Area Upgrade	Formalisation of 20 existing heavy vehicle parking bays for HVP and HML use, providing separation between heavy and light vehicles, installation of a new toilet block and sewerage treatment plant.	\$767,500	\$1,535,000	Planned	Rest Areas (new or upgrade)	1
VIC	Hume Freeway Benton's Hill Rest Area Upgrade	Upgrade of Benton's Hill Truck Parking Area (northbound) with the construction of two 118m parking bays, new toilets and lighting.	\$1,030,471	\$2,060,942	Completed	Rest Areas (new or upgrade)	1
VIC	Hume Freeway Reef Hills Rest Area Upgrade	Construction of 14 parking bays for heavy vehicles and an upgrade to existing toilet facilities with the installation of a new toilet block, sewerage treatment plant and lighting.	\$962,500	\$1,925,000	Completed	Rest Areas (new or upgrade)	1

State	Project Name	Project Description	Total AGC Cost	Total Project Cost	Progress Status	Category	No. of Facilities
VIC	Princes Highway East, Rosedale, Roundabout Improvement	Freight bottleneck improvement by reconfiguring existing roundabout to improve freight productivity and safety.	\$1,045,000	\$2,090,000	Completed	Road Enhancement	1
VIC	Princes Hwy East, Between Longwarry and NSW Border, Rest Area Signage Upgrades	Install high standard rest area signage (155 signs) at 27 HV rest areas.	\$307,000	\$614,000	Completed	Other	1
VIC	Princes Hwy East, Between Longwarry and NSW border, Truck Informal Rest Area (TIRA) Signage	Provision of green reflector guidepost marking of 74 Truck Informal Rest Areas (TIRA) along 420 km section of Princes Highway (Longwarry to NSW).	\$449,000	\$898,000	Completed	Other	1
VIC	Princes Hwy East, Lloyd St Offramp, Moe, Rest Area	New truck rest area, including 8 new truck parking bays.	\$1,480,000	\$2,960,000	Completed	Rest Areas (new or upgrade)	1
VIC	Shelley-Walwa Road, Guys Forest - Pavement Sealing Stage 1	Sealing of the unsealed 3.5km section of Shelley-Walwa Road to increase the safety and productivity of the timber industry.	\$1,883,500	\$3,817,000	Completed	Road Enhancement	1
VIC	Shelley-Walwa Road, Guys Forest - Pavement Sealing Stage 2	Sealing of the unsealed 3.5km section of Shelley-Walwa Road to increase the safety and productivity of the timber industry.	\$1,883,500	\$3,817,000	Completed	Road Enhancement	1
VIC	Western Fwy/Ballarat-Maryborough Rd, Ballarat, Intersection Improvement	The project will improve the restrictive turning movement for B-Doubles & future A-Double heavy vehicles accessing Ballarat West Employment Zone from the Western Highway.	\$95,214	\$190,428	Completed	Road Enhancement	1
WA	Shire of Ashburton - Nameless Valley Drive Truck Rest Stop	Installation of ablution facilities and formalising a rest area.	\$135,025	\$270,050	Completed	Rest Areas (new or upgrade)	1
WA	City of Kalgoorlie-Boulder - Mt Monger Rd Curve Realignment & Safety Improvements	Mt Monger Rd Curve Realignment & Safety Improvements.	\$500,000	\$1,000,000	Planned	Road Enhancement	1
WA	Construct a Truck Bay on North West Coastal Highway	Construction of a southbound truck bay (73km north of Geraldton).	\$200,000	\$522,431	Completed	Parking and Decoupling bay	1
WA	Construct a Truck Bay South of Geraldton	Construction of a truck bay rest area.	\$200,000	\$456,468	Completed	Parking and Decoupling bay	1
WA	Construct Heavy Vehicle Bay on Goldfields Highway between Leinster and Wiluna	Construction of a sealed 250m heavy vehicle bay with shelter to accommodate 3 to 4 triple road train.	\$278,890	\$557,780	Completed	Parking and Decoupling bay	1

State	Project Name	Project Description	Total AGC Cost	Total Project Cost	Progress Status	Category	No. of Facilities
WA	Construct Heavy Vehicle Bay - Leonora Laverton Road between Leonora and Laverton	Upgrading an existing roadside parking area into roadside rest areas and parking areas for heavy vehicles on the Leonora Laverton Road in the Goldfields Esperance Region.	\$227,529	\$455,059	Completed	Parking and Decoupling bay	1
WA	Construct Heavy Vehicle Bay - Mt Magnet Leinster Road between Mt Magnet and Leinster	Upgrading a heavy vehicle bay to 250m in length to accommodate 3 to 4 triple road trains including provision of seal and shelter.	\$299,629	\$599,258	Completed	Parking and Decoupling bay	1
WA	South Coast Highway - Construct Heavy Vehicle Bay at SLK453 between Esperance and Ravensthorpe	Construct a new sealed heavy vehicle parking bay (with shelter), 250 metres in length, to accommodate three to four double road trains, at SLK453 on the South Coast Highway between Esperance and Ravensthorpe.	\$300,000	\$626,636	Completed	Parking and Decoupling bay	1
WA	Construct Six Truck Bays on Great Northern Highway	Construct six truck bays on Great Northern Highway between Wubin to Kumarina.	\$900,000	\$2,296,948	Completed	Parking and Decoupling bay	6
WA	Construction and Upgrade of Heavy Vehicle Bay Albany Highway	Construct a new heavy vehicle rest area on the Albany Highway near Cranbrook, including shelters, seating, information boards, sealed surfaces and potentially toilets.	\$242,500	\$1,698,253	Completed	Parking and Decoupling bay	1
WA	M028 Midlands Road - Heavy Vehicle Rest Area	The project will provide designated truck rest areas with a sealed surface and litter bins that can be used in all weather conditions.	\$185,020	\$370,039	Completed	Rest Areas (new or upgrade)	1
WA	M032 Northam Pithara Road - Heavy Vehicle Rest Areas	The project will provide two designated truck rest areas with a sealed surface and litter bins that can be used in all weather conditions.	\$425,000	\$850,000	Underway	Rest Areas (new or upgrade)	1
WA	M037 Collie Lake King Road - Heavy Vehicle Rest Areas	Construct two new HV rest areas.	\$425,000	\$850,000	Underway	Rest Areas (new or upgrade)	1
WA	M056 Wongan Hills Calingiri Road - Heavy Vehicle Rest Area	Provide a truck rest area at 45 SLK.	\$186,986	\$373,972	Completed	Rest Areas (new or upgrade)	1
WA	Northam Pithara Road Upgrade - Overlay and Widening (23 km)	Widening the Ballidu – Pithara carriageway to 8m seal on 10m formation for 23.3km to meet RAV 7 standards.	\$4,050,000	\$23,810,000	Planned	Road Enhancement	1
WA	Port Hedland Road Train Assembly Area (RTAA)	Construct new Road Train Assembly Area adjacent to Great Northern Highway adjacent to the Town of Port Hedland's area zoned for Heavy Vehicle Industries.	\$1,989,816	\$3,979,632	Completed	Parking and Decoupling bay	1

State	Project Name	Project Description	Total AGC Cost	Total Project Cost	Progress Status	Category	No. of Facilities
WA	Upgrade of Heavy Vehicle Bays South Coast Highway SLK 229.37 and SLK 229.47	Upgrading 2 existing roadside parking bays on the South Coast Highway, which at present only accommodate light vehicles, including separation between light and heavy vehicles, improving shelters, sealed surfaces and toilets.	\$232,500	\$526,690	Completed	Parking and Decoupling bay	1
