# 1. Local Roads and Community Infrastructure Program Process

## **The Local Roads and Community Infrastructure (LRCI) Program is designed to achieve Australian Government objectives**

This grant opportunity is part of the LRCI Program, which contributes to the Department of Infrastructure, Transport, Regional Development and Communication's (The Department) Outcome 3.2. The Department works with stakeholders to plan and design the grant program according to the *Commonwealth Grants Rules and Guidelines 2017*.

## **The grant opportunity opens**

The Department will provide Eligible Funding Recipients with the Grant Guidelines for this grant opportunity (Phase 2) and publish them on [GrantConnect](#).

## **Grant decisions are made**

The Eligible Funding Recipients for the LRCI Program have been pre-identified. The Deputy Prime Minister approves the allocation of funding under the Program, based on a formula. The Assistant Secretary, COVID Recovery Infrastructure Investment Stimulus, will approve the award of the grant.

## **Eligible Funding Recipients are notified of the outcome**

Eligible Funding Recipients are sent a letter of offer and Grant Agreement signed by the Department.

## **Eligible Funding Recipients sign the Grant Agreement**

Eligible Funding Recipients must sign the Grant Agreement and return it to the Department.

## **Nomination of projects to be undertaken**

Eligible Funding Recipients will submit a draft Work Schedule nominating projects to be funded through the LRCI Program.

## **The Department assesses nominated projects to ensure project eligibility requirements are met**

The Department will notify Eligible Funding Recipients if nominated projects are approved by providing an Approved Work Schedule. If projects are ineligible, Eligible Funding Recipients can nominate alternative projects for assessment.

## **Delivery of grant**

Eligible Funding Recipients undertake Eligible Projects set out in their Approved Work Schedules. The Department manages the grant by working with Eligible Funding Recipients, monitoring progress and making payments.

## **Evaluation of the Local Roads and Community Infrastructure Program**

The Department will evaluate the LRCI Program as a whole. The Department will base this on information Eligible Funding Recipients provide, as well as from other sources.

## 1.1 Introduction

These Guidelines contain information for the Extension (Phase 2) of the LRCI Program grants.

The LRCI Program was announced on 22 May 2020. On 6 October 2020, as part of the 2020-2021 Budget, the Government announced a further \$1 billion to extend the LRCI Program. The grant opportunity set out in these Guidelines is for Phase 2 of the LRCI Program only.

The LRCI Program supports local councils to create jobs by delivering priority local road and community infrastructure projects across Australia.

This document sets out:

- the purpose of the grant opportunity;
- the eligibility criteria;
- how Eligible Funding Recipients will be monitored and evaluated; and
- responsibilities and expectations in relation to the grant opportunity.

The LRCI Program is administered by the Department.

## 2. About the LRCI Program – Phase 2

Phase 2 of the LRCI Program will run from 14 December 2020 to 30 June 2022. Project construction can commence once Work Schedules are approved by the Department with projects required to be physically completed by 31 December 2021.

The extension of the LRCI Program is a temporary, targeted stimulus measure responding to the economic impacts of the COVID-19 pandemic. The LRCI Program assists a community-led recovery from COVID-19 by supporting local jobs, firms, and procurement.

As with the first funding round for the LRCI Program, Eligible Funding Recipients can select a broad range of projects to fund so that communities can continue to be provided with the infrastructure they require. It is expected that Eligible Funding Recipients will use local businesses and workforces to deliver projects wherever possible to ensure stimulus funding flows into local communities.

The LRCI Program is a demand driven (eligibility based) grant program.

The LRCI Program will be delivered under Outcome 3.2 of the Department's Portfolio Budget Statement 2020-2021:

- the local government program supports regional development and local communities through delivery of policy advice to the Australian Government and financial assistance to local governments to strengthen local government capacity and better support local communities.

The objective of the LRCI Program is to protect and create jobs by stimulating additional infrastructure construction activity in communities across Australia.

The intended outcomes of the LRCI Program are to:

- provide stimulus to protect and create local short-term employment opportunities through funding construction projects following the impacts of COVID-19; and

- deliver benefits to communities, such as improved road safety, accessibility and visual amenity.

The Department will administer the LRCI Program according to the [Commonwealth Grants Rules and Guidelines 2017 \(CGRGs\)](#).

### 3. Grant amount and grant period

The Australian Government has announced total funding of \$1 billion over two years, providing \$500 million in 2020-21 and \$500 million in 2021-22 for Phase 2 of the LRCI Program.

Each Eligible Funding Recipient will be allocated a grant amount calculated using a formula (this grant amount is the 'Phase 2 Allocation').

The formula used to determine the Phase 2 Allocations will comprise of two parts with the following weighting, added together:

- one third of the allocation calculated using the existing LRCI formula (based on the Roads to Recovery Program (R2R)); and
- two thirds of the allocation based on council population size.

Population was calculated using the Estimated Regional Population by Local Government Area data provided by the Australian Bureau of Statistics (28 August 2020). Where there was an insufficient breakdown to the level of Eligible Funding Recipients under this program (for example in relation to Christmas, Cocos and Norfolk Islands) the 2019 population was attributed to the component areas using percentages derived from 2016 Census data.

The formula has been consistently applied to determine the Phase 2 Allocation of each Eligible Funding Recipient under the LRCI Program.

This grant opportunity will open on 14 December 2020 and close on 31 July 2021. The First Instalment of the Phase 2 Allocation will be paid after the Eligible Funding Recipient's Work Schedule has been approved, and not before 1 January 2021.

#### 3.1 Phase 2 – 'use it or lose it' principle

If:

- an Eligible Funding Recipient has not applied for the full amount of their Phase 2 Allocation in a draft Work Schedule by 31 July 2021; or
- savings related to Eligible Projects have not been reallocated under an Eligible Funding Recipient's Phase 2 Allocation before 31 December 2021,

the Commonwealth has the right to not pay the amount of the Phase 2 Allocation not applied for or reallocated by the Eligible Funding Recipient.

Eligible Funding Recipients are to have in place an executed Grant Agreement in relation to their 'Nominal Funding Allocation' under Phase 1 of the LRCI Program before receiving their letter of offer and Grant Agreement for Phase 2 (see 4.3 below).

## 4. Eligibility criteria

Only Eligible Funding Recipients are able to participate in Phase 2 of the LRCI Program. Eligible Funding Recipients will receive a letter of offer to participate in Phase 2 of the LRCI Program.

### 4.1 Who is eligible for a grant?

The Eligible Funding Recipients for this grant program have been identified. They are:

- all local councils in Australia;
- the ACT Government in lieu of a system of local government;
- relevant state government, the shires of Christmas Island, Cocos (Keeling) Islands and Norfolk Island and the Lord Howe Island Board that provide local council services to 'unincorporated areas' in Australia;
- the NT Government for areas that were unincorporated until 2008 but are not yet transferred to the new councils; and
- the Victorian Department of Environment, Land, Water and Planning for the French Island.

The Eligible Funding Recipients have been selected for this grant opportunity as the intention is to fund local communities directly. By providing funding to the level of government closest to communities, the Australian Government can ensure that the economic boost is felt throughout every community across Australia.

### 4.2 Who is not eligible for the Grant Program?

Organisations are not eligible for the LRCI Program unless they have been identified by the Australian Government as an Eligible Funding Recipient (see: Section 4.1).

General applications by other organisations will not be accepted.

### 4.3 Eligibility linked to Phase 1

Eligible Funding Recipients will need to have in place an executed Grant Agreement in relation to their 'Nominal Funding Allocation' under Phase 1 of the LRCI Program before receiving their letter of offer and Grant Agreement for Phase 2.

If the Eligible Funding Recipient does not have in place an executed Grant Agreement under Phase 1, the Eligible Grant Recipient will not be eligible to receive any amount of the Phase 2 Allocation.

## 5. What the grant money can be used for

Grant money can only be used on Eligible Projects, which are projects that are a Local Road Project or Community Infrastructure Project (as set out below), and that meet the Eligible Project Requirements set out in subsections 5.2 to 5.6, and deliver benefits to the community.

## 5.1 Eligible grant activity

### Local Roads Projects

Eligible Local Road Projects are projects that involve the construction or maintenance of roads managed by local governments. Local governments are encouraged to consider works that support improved road safety outcomes. This could include projects involving any of the following associated with a road:

- traffic signs;
- traffic control equipment;
- street lighting equipment;
- a bridge or tunnel;
- a facility off the road used by heavy vehicles in connection with travel on the road (for example, a rest area or weigh station);
- facilities off the road that support the visitor economy; and
- road and sidewalk maintenance, where additional to normal capital works schedules.

### Community Infrastructure Projects

Eligible Community Infrastructure Projects are projects that involve the construction, maintenance and/or improvements to council-owned assets (including natural assets) that are generally accessible to the public.

'Generally accessible to the public' means that the project, or the amenity provided by the project, is generally accessible to the public at large. Some areas are clearly publicly accessible as they are areas that are open to all members of the public such as parks, playgrounds, footpaths and roads.

Projects will also be considered generally publically accessible if they are in a location that is:

- generally publically accessible to the wider public undertaking a specific activity (for example council operated sporting fields); or
- generally publically accessible for a limited age group of the Community as a whole i.e. a kindergarten building; or
- used for the provision of an essential service or community service, as determined by the Department, and the amenity of the asset is publicly accessible and benefits the community.

All projects whether carried out on council owned land, or another type of public land, must deliver benefits to the community, such as improved accessibility, visual amenity, and/or safety. Examples of eligible works include:

- Closed Circuit TV (CCTV);
- bicycle and walking paths;
- painting or improvements to community facilities;
- repairing and replacing fencing;
- improved accessibility of community facilities and areas;
- landscaping improvements, such as tree planting and beautification of roundabouts;

- picnic shelters or barbeque facilities at community parks;
- community/public art associated with an Eligible Project ( Eligible Funding Recipients will need to provide a clear description of the conceptual basis of the artwork);
- playgrounds and skate parks (including all ability playgrounds);
- noise and vibration mitigation measures; and
- off-road car parks (such as those at sporting grounds or parks).

#### Other Public Land

Projects that involve the construction, maintenance and/or improvements to state/territory and crown owned land/assets and Commonwealth owned land/assets, can also be eligible projects where the Council can confirm that they have the authority of the land or asset owner to undertake the project at the nominated site(s) and the sites are accessible to the public (including natural assets).

### 5.2 Maintaining overall capital expenditure

The purpose of the LRCI Program funding is to support local councils to deliver priority local road and community infrastructure projects across Australia, supporting jobs and the resilience of local economies to help communities bounce back from the COVID-19 pandemic. As an economic stimulus measure, the intent is that Eligible Funding Recipients undertake infrastructure projects which are additional to projects that they had planned to undertake using their own funds.

Given the timing of funding under Phase 2 and taking into account that Eligible Funding Recipients may not yet have confirmed future infrastructure spending, the additionality principle, that applied to Phase 1, has been modified for Phase 2 only.

Under Phase 1, LRCI funds could not be used on existing projects. Under Phase 2, Eligible Funding Recipients are required to maintain their overall capital spending on roads and community infrastructure, funded by their own revenue, at or above their 2020-21 capital spending level. The focus on overall capital spending (in Phase 2) provides Eligible Funding Recipients with greater flexibility to set and deliver the infrastructure priorities in their communities.

Proof of maintaining capital expenditure will be a requirement for an Eligible Funding Recipient to receive their full Phase 2 Allocation. The Department will consider, in exceptional circumstances, exemptions to this requirement.

### 5.3 Co-contributions

Co-contributions are not required under the LRCI Program, but are allowed to be used for projects. A project can be funded by a combination of LRCI Program funds, the Eligible Funding Recipient's funds, and other government programs (including state government programs), as long as the combined funding for the project does not exceed the estimated cost of a project.

An Eligible Funding Recipient using co-contributions for a project also needs to meet the conditions of other funding programs from which funds are sourced (i.e. a state program). Eligible Funding Recipients are responsible for determining if the funding conditions of another program would not permit the use of LRCI Program funding towards that project.

## 5.4 Eligible construction time period

Construction activity on Eligible Projects must be undertaken before 31 December 2021, unless agreed by the Department due to exceptional circumstances. Planning issues and general delays associated with building projects are not considered exceptional circumstances.

If construction activity cannot be completed or savings related to Eligible Projects have not been reallocated to other Eligible Projects under their Phase 2 Allocation (through approval of an updated Work Schedule with amended funding and/or new project nominations) before 31 December 2021, an Eligible Funding Recipient may not receive their full Phase 2 Allocation.

## 5.5 Combined Projects - LRCI Phase 1 and Phase 2 projects

Eligible Funding Recipients can nominate projects that utilise LRCI funding from both Phase 1 and Phase 2, but will need to demonstrate that the project is eligible under the respective program guidelines for each phase.

Eligible Funding Recipients can nominate later stages of projects that are already receiving funding under the LRCI Program, provided that the component funded under Phase 1 is not amended without approval by the Department and maintains its eligibility under the relevant program guidelines.

Eligible Funding Recipients are also able to submit projects previously nominated under Phase 1 that were not approved as meeting the eligibility requirements under the relevant program guidelines, but may be eligible under these Guidelines for Phase 2.

## 5.6 What the grant money cannot be used for

Eligible Funding Recipients cannot use grant money to pay for business as usual activities and costs, or any other activities and costs not associated with Eligible Projects. These activities are Ineligible Projects or Ineligible Expenditures.

The following are examples of Ineligible Projects and Ineligible Expenditures:

- costs incurred in the preparation of a Work Schedule or related documentation;
- general administrative overheads and staff salaries not connected with Eligible Projects funded under the Program;
- subsidy of general ongoing administration of an organisation such as electricity, phone, rent, or costs incurred by the Council as a Landlord in the general course of a lease;
- commencement ceremonies, opening ceremonies or any other event associated with Eligible Projects;
- transport planning studies;
- road rehabilitation studies (if not part of an Eligible Project);
- road building plant or other capital equipment especially moveable equipment (e.g. graders or trailers);
- land;
- training (if not part of an Eligible Project);
- public liability insurance;

- fringe benefits tax;
- GST payable component of a supply;
- finance leases on equipment;
- depreciation, except for depreciation of plant and equipment directly attributable to a grant funded Eligible Project;
- stand-alone design and preliminary works;
- operating lease charges where the rental expense cannot be directly linked to the grant project (e.g. a grader may be hired for a period for a variety of tasks, only charges that specifically relate to the funded Eligible Project can be charged against the grant funds);
- overseas travel; and
- the covering of retrospective costs.

## 6. The grant selection process

### 6.1 Who will approve grants?

The Assistant Secretary, COVID Recovery Infrastructure Investment Stimulus (the Delegate) approves grants on the basis that the organisation is an Eligible Funding Recipient as identified in section 4.1.

The amount of grant money awarded to an Eligible Funding Recipient will be determined by the Department in accordance with the formula outlined at section 3.

The Delegate's decision is final in all matters, including:

- the approval of the grant; and
- the grant amount.

There is no appeal mechanism for the decision to approve or not approve a grant.

## 7. Letter of offer process

All Eligible Funding Recipients will receive a letter of offer to participate in Phase 2 of the LRCI Program. This letter will:

- a) specify the Phase 2 Allocation;
- b) include a Grant Agreement that sets out the terms and conditions of Phase 2 of the LRCI Program executed by the Commonwealth;
- c) provide information on the submission of Work Schedules.

Before accepting the offer, Eligible Funding Recipients must read and understand these Guidelines and the Grant Agreement. The Guidelines can be found on the Department's website and on [GrantConnect](#). Any alterations and addenda<sup>1</sup> will be published on GrantConnect and the Department's website. By registering on GrantConnect, organisations will be automatically notified of any changes to the Guidelines.

---

<sup>1</sup> Alterations and addenda include but are not limited to: corrections to currently published documents, changes to close times for applications, and Questions and Answers (Q&A) documents

Eligible Funding Recipients can return signed Grant Agreements and submit Work Schedules for their first projects between 14 December 2020 and 31 July 2021. As construction needs to be completed by 31 December 2021, after 31 July 2021 the Department expects to only be managing variations or additional project nominations to ensure that an Eligible Funding Recipient is able to fully utilise their Phase 2 Allocation.

## 8. Notification of outcomes

All Eligible Funding Recipients will receive a letter of offer to participate in Phase 2 of the LRCI Program and a Grant Agreement.

## 9. Successful grantees

### 9.1 The Grant Agreement

An Eligible Funding Recipient must enter into a legally binding grant agreement with the Commonwealth by signing the Grant Agreement. The Grant Agreement used for Phase 2 of the LRCI Program will be supplied to Eligible Funding Recipients. The Grant Agreement has standard terms and conditions that cannot be changed.

The Grant Agreement may also contain conditions specific to an Eligible Funding Recipient in a Schedule.

To accept the offer, the Eligible Funding Recipient must sign the Grant Agreement:

- provide all the information requested; and
- return the Grant Agreement to the LRCI Program - Program Manager.

A Grant Agreement must be executed with the Commonwealth before any payments can be made. The Department is not responsible for any of an Eligible Funding Recipient's expenditure until a Grant Agreement is executed and a Work Schedule is approved for the Eligible Funding Recipient.

Eligible Funding Recipients should keep a copy of the Grant Agreement and any supporting documents.

The Commonwealth may recover grant funds from an Eligible Funding Recipient if the Grant Agreement has been breached. If an Eligible Funding Recipient fails to meet the obligations of the Grant Agreement, the Grant Agreement may be terminated.

## Submission of a Work Schedule

Eligible Funding Recipients will nominate projects they intend to spend LRCI grant money on in their draft Work Schedule.

Eligible Funding Recipients will need to have an approved Work Schedule for the first funding round under the LRCI Program before they can receive an approved Work Schedule for the LRCI Program Extension (Phase 2).

- Eligible Funding Recipients can submit a draft Work Schedule for Phase 2 while they wait for a decision on approval of their Work Schedule for the first funding round.
- Eligible Funding Recipients can submit a draft Work Schedule for Phase 2 that includes funding from Phase 1 of the LRCI Program.

Eligible Funding Recipients are required to submit a draft Work Schedule in the manner and form stipulated by the Department. The manner and form for submitting a draft Work Schedule will be provided to Eligible Funding Recipients and made available on the Department's website.

- Eligible Funding Recipients should submit their draft Work Schedule when they return their signed Grant Agreement. Work Schedules can be submitted between 1 December 2020 and 31 July 2021, but failure to promptly return a Work Schedule will result in release of grant funds being delayed.
- In order for Eligible Funding Recipients to receive their full Phase 2 Allocation, they must have submitted a draft Work Schedule for the total amount of their Phase 2 Allocation by 31 July 2021.
  - If an Eligible Funding Recipient has not applied for their full Phase 2 Allocation in a draft Work Schedule by 31 July 2021, or savings related to Eligible Projects have not been reallocated under their Phase 2 Allocation before 31 December 2021, the Commonwealth has the right to not pay the amount of the Phase 2 Allocation not yet applied for or reallocated by the Eligible Funding Recipient.

The draft Work Schedule must contain the following information in relation to each of the nominated projects the Eligible Funding Recipient proposes to undertake using the grant:

- project description, including details of how the project meets the Project Eligibility Requirements detailed in Section 5;
- proposed timeframes for the project, including construction commencement date and estimated construction completion date;
- detail of any conflicts of interest and management actions to manage these conflicts;
- the amount of grant funding required and details of any other contributions to the total costs of the project, along with details of all proposed expenditure including confirmation that none of the proposed expenditure is Ineligible Expenditure; and
- expected number of full-time equivalent jobs supported by the project over the construction period.

If some of the jobs supported by a project are new jobs/redistribution of personnel in the Eligible Funding Recipient's own workforces, labour costs for work undertaken must be derived from timesheets or via an equally acceptable method. Project management time included in the expected number of jobs supported by a project must not include Ineligible Expenditure or costs associated with Ineligible Projects, and a clear and definable model needs to be in place to apportion these costs.

The total amount of grant funding sought under a draft Work Schedule cannot exceed the amount of the grant specified in the Grant Agreement.

### Approval of a Work Schedule

The Department will assess whether projects included in an Eligible Funding Recipient's Work Schedule meet the Eligible Project Requirements set out in these Guidelines and that all requested information has been provided.

If the Work Schedule or projects do not meet requirements, an Eligible Funding Recipient may submit an updated Work Schedule that includes additional nominated projects for approval. The Department may contact an Eligible Funding Recipient to request further information.

The Department will make a recommendation to the Delegate to approve/not approve the Work Schedule.

If an Eligible Funding Recipient nominates projects with a total value of more than 50 per cent of their Phase 2 Allocation and the Work Schedule is approved, the Delegate will approve release of the First Instalment of grant funds. The decision to release funds will be made on the basis of their assessment of the information provided by an Eligible Funding Recipient and any other information in the Program Guidelines. Approval may be subject to conditions detailed in the Grant Agreement. Only approved Eligible Projects will be included in the Approved Work Schedule.

Eligible Funding Recipients will be advised in writing if their Work Schedule and release of the First Instalment has been approved.

### First Instalment

The First Instalment will be paid to an Eligible Funding Recipient within four weeks of the Work Schedule and release of the First Instalment being approved by the Delegate, provided this date is after 1 January 2021.

The value of the First Instalment will be 50 per cent of an Eligible Funding Recipient's Phase 2 Allocation.

### Low Value Grants

A Low Value Grant is a Phase 2 Allocation under \$500,000. In application of the proportionality principle, different requirements relating to Instalments and Reporting apply to these grants.

For a Low Value Grant, the process for Work Schedule approval is the same as detailed above. However, Low Value Grant recipients can receive 70 per cent of their Phase 2 Allocation as their First Instalment provided they have nominated projects totaling 70 per cent or more of their Phase 2 Allocation.

## Progress Instalments

Progress Instalments will be made following submission of a Quarterly Report.

The Delegate will approve release of a Progress Instalment on the basis of:

- the Department's assessment of, and the information provided in, relevant Quarterly Report/s;
- whether or not a Eligible Funding Recipient is in breach, or suspected of being in breach, of the Grant Agreement; and
- consideration of other relevant information.

Further information may be requested by the Department at this stage and considered by the Delegate.

If the Delegate approves release of a Progress Instalment, payment will be made within four weeks of the Delegate making this decision. Eligible Funding Recipients will be advised in writing of the decision to release a Progress Instalment.

The payment value for a Progress Instalment will equal:

- actual expenditure up until the end of the relevant quarter; plus
- projected expenditure to the end of the next quarter.

### **less:**

- the first instalment; and
- 10 per cent of the Phase 2 Allocation.

For Low Value Grants, Eligible Funding Recipients can apply to receive the residual of grant funds at the time of a Quarterly Report being submitted, provided they also submit completed acquittal documentation See Acquittal at 11.4.

## Final Instalment

The Delegate will decide whether to approve release of the Final Instalment on the basis of:

- an assessment of compliance with the Grant Agreement, including any investigations or audit reports;
- the information provided in the Annual Report;
- information in the Work Schedule and relevant Quarterly Reports; and
- any other relevant information.

The Final Instalment will be the lesser of the residual amount of an Eligible Funding Recipient's Phase 2 Allocation and the total actual expenditure and projected expenditure to the end of the Eligible Projects, less instalments paid to date. Projected expenditure should be limited to expenses expected to be incurred post 31 December 2021, which are not construction costs. These costs should be things such as noise monitoring contracts and outstanding bills unless otherwise agreed by the Department.

Further information may be requested by the Department at this stage and considered by the Delegate. The Final Instalment will be paid within four weeks of the Delegate's decision to release the grant payment.

### 9.3 Grant Payments and GST

In accordance with the Terms of the Australian Taxation Office ruling GSTR 2012/2, payments made under the LRCI Program, which are payments made by a government related entity to another government related entity, and for which the amount of the grant does not exceed the cost of providing the goods or services, do not attract GST. Consequently, the actual and projected expenditure Eligible Funding Recipients report to the Department must exclude the GST component on goods and services, and the payments the Department makes to Eligible Funding Recipients to cover the costs of the program will not include GST.

Grants are assessable income for taxation purposes, unless exempted by a taxation law. We recommend you seek independent professional advice on your taxation obligations or seek assistance from the Australian Taxation Office. We do not provide advice on your particular taxation circumstances.

## 10. Announcement of grants

The Department will publish details of the grants awarded on GrantConnect within 21 days after the date of effect of the Grant Agreement as required by section 5.3 of the [CGRGs](#).

The Department may also publish details of grants on its website or other government websites, including individual projects funded. This information may include, but is not limited to:

- title of the project;
- description of the project and its aims;
- amount of funding received and funding allocation; and
- project outcomes including estimates of jobs supported.

## 11. Reporting requirements

Eligible Funding Recipients must submit reports in line with the Grant Agreement and these Guidelines. The Department will remind Eligible Funding Recipients of their reporting obligations before reports are due.

Eligible Funding Recipients must also update their Work Schedules as required and in accordance with any other requirements notified by the Department.

The Department will monitor progress by assessing submitted reports and may conduct site visits to confirm details in Quarterly Reports and Work Schedules if necessary. Occasionally, the Department may need to re-examine claims, seek further information, or request an independent audit of claims and payments on a risk based or sampling basis.

### 11.1 Quarterly Reports

Eligible Funding Recipients must submit Quarterly Reports throughout the Grant Period.

Quarterly Reports must be submitted per the timeframes in **Table 2 –Quarterly Reports** and in accordance with the Grant Agreement.

Quarterly Reports are used to provide the Department with information on the progress of Eligible Projects and are a requirement for the receipt of funds for payment of Progress and Final Instalments of grant payments. Quarterly Reports must be submitted in the manner and form specified by the Department and include required details.

Eligible Funding Recipients must provide the following information in a Quarterly Report:

- the amount of grant funding spent (actual expenditure) for the period commencing on 1 January 2021 and ending on the last day of the quarter to which the Quarterly Report relates;
- the amount of grant funding (proposed expenditure) which the Eligible Funding Recipient intends to spend on Eligible Projects in the quarter following the report;
- details of progress towards completion of Eligible Projects; including any evidence required per the Grant Agreement; and
- estimated and/or confirmed jobs supported by the grant funding.

The figures in the Quarterly Reports should be prepared on an accrual basis. Quarterly Reports must be submitted within the period specified in the Grant Agreement.

1. Total amount of grant funding made available and subsequently received over the calendar year;
2. Total amount of grant funding spent on Eligible Projects;

Under the Program Guidelines for Phase 1 of the LRCI Program, Eligible Funding Recipients are required to submit a report in writing and signed by an appropriate auditor providing the auditor's opinion on the use by Eligible Funding Recipients of proper accounts and records and preparation of financial statements.

In meeting this audit requirement for Phase 1, the Department requires that Eligible Funding Recipients also engage the auditor to consider the appropriateness of accounts and keeping of records that relates to any Phase 2 funding received during the financial period or periods considered for the Phase 1 audit report.

As part of the Annual Report process outlined in section 11.3 above, the Department requires that Eligible Funding Recipients submit a report in writing and signed by an appropriate auditor stating whether, in the auditor's opinion:

- iv. the amount certified by the Chief Executive Officer in the Chief Executive Officer's financial statement as the Eligible Funding Recipient's own source expenditure is based on, and in agreement with, proper accounts and records.

The Department does not expect Eligible Funding Recipients to engage an auditor specifically to meet this reporting requirement, particularly where the engagement would be a significant additional cost and out of cycle to the normal course of audit activities. The Department requires the report be submitted as soon as practicable, if necessary as part of an auditor’s consideration of annual financial statements.
