

Heavy Vehicle Safety and Productivity Program Round Seven

Projects as at 28 October 2021

State	Project Name	Project Description	Total AGC (\$)	Total Project Cost (\$)	Progress Status	Category	Number of Facilities
ACT	Transport Canberra and City Services Directorate - Cotter Road - Murrumbidgee River to Cotter River upgrade	Turning movements improvements at tight bends on Cotter Road approaching bridges over Murrumbidgee River and Cotter River.	\$691,444	\$1,382,889	In Planning	Road Enhancement	1
ACT	Transport Canberra and City Services Directorate - Paddys River Road - Cotter to Laurel Camp Road upgrade	Improvement at four curves on the road to accommodate for B-double and HML vehicles.	\$1,191,980	\$2,383,961	Under Construction	Road Enhancement	1
NSW	TRANSPORT FOR NSW - Lily Creek Culvert upgrade, New England Highway, Bendemeer	Lily Creek Culvert upgrade project will upgrade the culvert and provide increased flood immunity.	\$2,500,000	\$5,000,000	Not Started	Road Enhancement	1
WA	Commissioner of Main Roads - South Hedland Road Train Assembly Area, Boodarie	Construction of a Road Train Assembly Area at South Hedland.	\$2,500,000	\$5,000,000	Not Started	Parking and Decoupling bay	1
WA	Commissioner of Main Roads - NW Coastal Highway Rest Areas package, Paynes Find	Upgrade six existing and construct two new heavy vehicle rest areas on routes in the Mid West Gascoyne Region	\$2,225,000	\$4,450,000	Not Started	Parking and Decoupling bay	8
NSW	Transport for NSW - Oxley Highway and Goddard Lane intersection upgrade, Westdale	This project will upgrade the Goddard Lane Intersection to provide an acceleration lane for westbound HVs leaving Goddard Lane and also widening the section of the Oxley Highway to provide a 12.4m formation.	\$2,500,000	\$5,000,000	Under Construction	Road Enhancement	1
NSW	Transport for NSW - Mitchell Highway upgrade - Bourke to Nyngan, Byrock	The project will widen the Mitchell Highway at various sections between Bourke and Nyngan (approx 15 kms of widening).	\$2,500,000	\$5,000,000	Under Construction	Road Enhancement	1
NSW	Kyogle Council - Clarence Way upgrade, Muli Muli	Upgrade of 9.75km of Main Road 361 Clarence Way between the villages of Woodenbong and Urbenville.	\$2,000,000	\$5,027,750	Under Construction	Road Enhancement	1
NSW	Coonamble Shire Council - Warren Road intersection upgrade, Coonamble	Upgrade intersection of Warren Road and Castlereagh Highway	\$410,000	\$820,000	In Planning	Road Enhancement	1

Heavy Vehicle Safety and Productivity Program Round Seven

Projects as at 28 October 2021

State	Project Name	Project Description	Total AGC (\$)	Total Project Cost (\$)	Progress Status	Category	Number of Facilities
NSW	Maitland City Council - Woodberry Road upgrade, Millers Forest	Safety reconstruction of severely damaged 1300m section of Woodberry Road from Alnwick Road to Raymond Terrace Road, Millers Forest. The scope of works involve earthwork to widen pavement and shoulder, clean out of culverts and incorporate new gravel, reconstruct road pavement with 14mm bitumen seal including line and sign marking.	\$658,000	\$1,316,000	Under Construction	Road Enhancement	1
SA	SA, Department for Infrastructure and Transport - Barossa Valley Way upgrade, Altona	Remove Altona bridge and construct at grade road alignment	\$2,500,000	\$6,000,000	Not Started	Other	1
NSW	Maitland City Council - Allandale Road upgrade, Allandale	Allandale Road safety reconstruction work from the Rail Underpass to start of new work pass house number 102, Allandale (1270m long). The scope of works involve earthwork to widen the pavement and shoulder, clean out of culverts, extend existing drainage and install subsoil, incorporate new gravel, reconstruct road pavement with 14mm bitumen seal including line and sign marking.	\$1,129,500	\$2,259,000	Under Construction	Road Enhancement	1
SA	SA, Department for Infrastructure and Transport - Stuart Highway Rest Areas package	1 new and 3 upgrades of rest areas	\$2,063,000	\$4,126,000	In Planning	Parking and Decoupling bay	4
NSW	Maitland City Council - Paterson and Dunmore Road intersection upgrade, Bolwarra Heights	Safety improvement of Paterson Road intersection with Dunmore Road, Bolwarra Heights. The scope of works involve earthwork to widen pavement and shoulder, clean out of culverts, incorporate new gravel, reconstruct the intersection road pavement with 14mm bitumen seal including line and sign marking.	\$706,000	\$1,412,000	In Planning	Road Enhancement	1
QLD	Cassowary Coast Regional Council - Cowley Beach Road Culverts upgrade, Lower Cowley	Upgrade several culverts to increase and improve heavy vehicle access via the only road to the beach side community of Cowley Beach.	\$436,250	\$872,500	Not Started	Other	1
NSW	Upper Lachlan Shire Council - Wheeo Road upgrade, Grabben Gullen	Reconstruction and sealing of 5km of Wheel Road from the Intersection of Hawthorne Tree Road to Wheeo Road.	\$573,288	\$2,633,150	In Planning	Road Enhancement	1
NSW	Upper Lachlan Shire Council - Peelwood Road upgrade, Limerick	Reconstruction and sealing of 3km of Peelwood Road from 20.5km to 23.5km	\$432,700	\$1,970,800	In Planning	Road Enhancement	1

Heavy Vehicle Safety and Productivity Program Round Seven

Projects as at 28 October 2021

State	Project Name	Project Description	Total AGC (\$)	Total Project Cost (\$)	Progress Status	Category	Number of Facilities
NSW	Greater Hume Shire Council - Culcairn Holbrook Road upgrade, Morven	1.9km reconstruction	\$677,526	\$1,355,052	Not Started	Road Enhancement	1
NSW	Parkes Shire Council - Parkes Shire north south freight link - Stage 1, Yarrabandai	Widen and seal 6km of deficient pavement, realign and upgrade two major intersections with safety improvements, culvert upgrades and safety wire barriers installed on steep embankments to provide Stage 1 of the final works to complete this vital freight link that can provide AB Triple access through the Shire and beyond.	\$2,000,000	\$6,135,868	In Planning	Road Enhancement	1
NSW	Parkes Shire Council - Parkes Shire north south freight link - Stage 2, Albert	Upgrade and widen 14.1km of narrow seal with 6 culverts replaced and 3.5km of wire safety barrier installed as well as the intersection onto the Peak Hill Road to provide a safe and accessible road for HPV vehicles along this strategic freight route, linking Lachlan, Parkes and Forbes shires.	\$2,000,000	\$7,354,228	In Planning	Road Enhancement	1
NSW	Parkes Shire Council - Parkes Shire north south freight link - Stage 3, Yarrabandai	Upgrade and widen 3km of pavement to provide a 7.5m seal, widen a number of culverts and realign a major intersection to meet current intersection standards.	\$584,980	\$1,597,284	In Planning	Road Enhancement	1
NSW	Wollondilly Shire Council - Silverdale Road Truck Rest upgrade, Wallacia	To widen the 600m of road from the bridge, upgrade the intersection of Bent's Basin Road and formalise the truck parking/layby area to the west of the intersection.	\$643,087	\$1,286,174	Not Started	Parking and Decoupling bay	1
NSW	Northern Beaches Council - South Creek Road and Campbell Parade roundabout upgrade, Cromer	Modification to existing layout of the roundabout for safe manoeuvring of heavy vehicles and improve pedestrian safety	\$59,400	\$118,800	Completed	Road Enhancement	1
NSW	Forbes Shire Council - Mount Tullabung Road - Stage 1, Warroo	Widening of stage 1 of Mount Tullabung Road 8.9 to 10.1 km	\$234,000	\$468,000	In Planning	Road Enhancement	1
NSW	Forbes Shire Council - Mount Tullabung Road - Stage 2, Warroo	Widening of stage 2 of Mount Tullabung Road 15.9 to 18.2 km	\$448,500	\$897,000	Not Started	Road Enhancement	1
NSW	Walgett Shire Council - Come By Chance Road Segment I upgrade, Come By Chance	Reconstruction and sealing, including construction of side-tracks for detours during construction	\$2,000,000	\$4,668,000	Not Started	Road Enhancement	1
NSW	Walgett Shire Council - Come By Chance Road Segment II upgrade, Come By Chance	Reconstruction and sealing, including construction of side-tracks for detours during construction	\$2,000,000	\$4,668,000	Not Started	Road Enhancement	1

Heavy Vehicle Safety and Productivity Program Round Seven

Projects as at 28 October 2021

State	Project Name	Project Description	Total AGC (\$)	Total Project Cost (\$)	Progress Status	Category	Number of Facilities
NSW	Walgett Shire Council - Come By Chance Road Segment III upgrade, Pilliga	Reconstruction and sealing, including construction of side-tracks for detours during construction	\$1,050,000	\$4,693,000	Not Started	Road Enhancement	1
NSW	Lismore City Council - Oliver Avenue Link Road upgrade, Goonellabah	Upgrades will open up the Goonellabah Industrial Precinct and cater for greater sweep paths and eliminate u-turn and right-turn movements on Bruxner Highway. This project will improve heavy vehicle movement in and out of Lismore.	\$2,000,000	\$12,100,000	In Planning	Road Enhancement	1
NSW	Dubbo Regional Council - Boothenba Road upgrade, Dubbo	Realignment and widening of Boothenba Road at the intersection with the Dubbo Regional Livestock Markets to enable safer access for larger vehicles.	\$2,000,000	\$8,063,800	Under Construction	Road Enhancement	1
NSW	Lachlan Council - Henry Parkes Way upgrade, Condobolin	Upgrade of two intersections, pavement strengthening and safety improvement	\$258,000	\$516,000	Under Construction	Road Enhancement	1
NSW	Gwydir Shire Council - IB Bore Road upgrade, North Star	Pavement upgrade and sealing of approximately 20km of IB Bore Road, North Star	\$2,000,000	\$10,744,410	In Planning	Road Enhancement	1
NSW	Tamworth Regional Council - Moonbi to Hallsville road upgrade, Moore Creek	Project involves the widening of Moonbi Gap Road, Upper Moore Creek Road, Davidsons Lane. Also included in the works are line marking, improved road shoulders, replacement of causeways with major culverts, improved horizontal and vertical alignments. Intersection upgrades will also be undertaken at each intersection along these roads and also at each end of the project (i.e. intersections of Moonbi Gap Road / New England Highway and Davidsons Lane / Manilla Road. These works will allow improved freight and passenger usage of the route in a safer and more efficient manner.	\$2,000,000	\$8,500,000	In Planning	Road Enhancement	1
NSW	Gunnedah Shire Council - Kelvin Road upgrade, Kelvin	Upgrading and sealing the remaining 11.6km unsealed section of Kelvin Road between Gunnedah and Rangari Road (Regional Road MR357)	\$2,000,000	\$5,404,545	In Planning	Road Enhancement	1
NSW	Clarence Valley Council - Townsend Industrial Estate upgrade	Pavement strengthening, shoulder widening and drainage improvements to increase HV productivity	\$980,540	\$1,961,080	In Planning	Road Enhancement	1
NSW	Clarence Valley Council - Armidale Road upgrade, Clouds Creek	Safety upgrades, curve realignments, slow vehicle turnout and strengthening	\$1,280,000	\$2,560,000	Not Started	Road Enhancement	1

Heavy Vehicle Safety and Productivity Program Round Seven

Projects as at 28 October 2021

State	Project Name	Project Description	Total AGC (\$)	Total Project Cost (\$)	Progress Status	Category	Number of Facilities
QLD	Bundaberg Regional Council - Gin Gin Informal Parking Area, Gin Gin	Gin Gin Informal Parking Area, Bruce Highway, Gin Gin	\$635,000	\$1,270,000	Not Started	Parking and Decoupling bay	1
NSW	Orange City Council - Southern Feeder Road - Stage 4, Orange	Construction of new road between Anson Street and Pinnacle Road, Shiralee to distribute traffic including heavy vehicles to the south of Orange	\$2,000,000	\$9,112,000	In Planning	Road Enhancement	1
NSW	Orange City Council - Clergate Road - Stage 2, Orange	Upgrade of existing section of Clergate Road from Quartz Street to Ralston Drive - North Orange to allow safe heavy vehicle movements to industrial area	\$650,000	\$2,600,000	In Planning	Road Enhancement	1
NSW	Bathurst Regional Council - Turondale Road upgrade, Turondale	Widening and reconstruction of Turondale Road 17.5 to 19.5 km.	\$200,000	\$400,000	Completed	Road Enhancement	1
NSW	Upper Hunter Shire Council - Hunter Road upgrade, Moonan Flat	The project starts chainage is 53.8km from Scone along Hunter Road for approximately 6.6km towards Ellerston. The works shall include: Road realignment with improvements to both horizontal and vertical curve radii and increased sight distance. The pavement will be widened to a minimum 8m formation and 7m seal with a 200 to 300mm overlay to ensure adequate pavement depth and strength. Initial seal of the 6.6km segment of road.	\$2,000,000	\$4,600,000	In Planning	Road Enhancement	1
NSW	Cessnock City Council - Camp Road upgrade, Greta	Road upgrade to enable B-Double HML route, as well as realigning road geometry	\$626,400	\$1,252,800	Under Construction	Road Enhancement	1
NSW	Cessnock City Council - Sandy Creek Road upgrade, Quorrobolong	Pavement Strengthening	\$295,800	\$591,600	In Planning	Road Enhancement	1
NSW	City of Lithgow Council - Glen Alice Road upgrade, Glen Alice	Resealing part of Glen Alice Road from Capertee to Kandos	\$376,068	\$940,169	Completed	Road Enhancement	1
NSW	Upper Hunter Shire Council - Coulsons Creek Road upgrade, Merriwa	Due to significant failures during and post construction the route is now limited to 5 tonne and single lane through the range	\$2,000,000	\$10,900,000	In Planning	Road Enhancement	1
NSW	Edward River Council - Maude Road upgrade, Moulamein	Sealing of Maude Rd (MR319)	\$792,392	\$2,980,568	Under Construction	Road Enhancement	1
QLD	Queensland Department of Transport and Main Roads. - Barwon Highway upgrade, Weengallon	Widen approximately 3 kilometres of highway between, chainages 27.9 and 33.7 kilometres, of the Barwon Highway (Talwood - Nindigully) from 6.2 metres to 8.5 metres to improve heavy vehicle safety and productivity.	\$2,500,000	\$6,750,000	Not Started	Road Enhancement	1

Heavy Vehicle Safety and Productivity Program Round Seven

Projects as at 28 October 2021

State	Project Name	Project Description	Total AGC (\$)	Total Project Cost (\$)	Progress Status	Category	Number of Facilities
NSW	Berrigan Shire Council - Finley Saleyards upgrade, Finley	Upgrading livestock loading and unloading facilities at Finley Saleyards to improve safety and productivity	\$281,500	\$563,000	In Planning	Other	1
QLD	Gold Coast City Council - Pearson Road intersection upgrade, Yatala	Upgrade of the road to an Industrial Collector standard including provision of a roundabout at the Computer Road intersection.	\$2,000,000	\$6,854,377	Not Started	Road Enhancement	1
QLD	Tablelands Regional Council - Beantree Road and Albrecht Street intersection upgrade, Tolga	Upgrading the intersection by widening the intersection and approaches to improve the safety of heavy vehicles using this intersection to access the Atherton Industrial Estate.	\$237,889	\$475,779	Not Started	Road Enhancement	1
QLD	Tablelands Regional Council - Beantree and Barson Roads intersection upgrade, Atherton	Upgrading the intersection by widening the intersection and approaches to improve the safety of heavy vehicles using this intersection to access the Atherton Industrial Estate and b-double route.	\$92,026	\$184,052	Not Started	Road Enhancement	1
QLD	Somerset Regional Council - Esk Crows Nest Road upgrade, Eskdale	Bitumen seal 4kms of road to improve regional road safety and productivity	\$2,000,000	\$4,611,521	Not Started	Road Enhancement	1
QLD	Somerset Regional Council - Lowood Minden Road upgrade, Tarampa	Widening and strengthening Lowood Minden Road to improve regional road safety and productivity	\$2,000,000	\$5,272,600	Not Started	Road Enhancement	1
QLD	Bundaberg Regional Council - Goodwood and Lucketts Roads - 5 ways intersection upgrade, Doolbi	Goodwood Road/Lucketts Road 5 ways intersection upgrade, Doolbi	\$640,000	\$1,280,000	Not Started	Road Enhancement	1
QLD	Southern Downs Regional Council - Curtin Road upgrade, Ballandean	Widen Curtain Road (0 – 1.51km), Reconstruct Curtain Road (1.51km to 2.54km)	\$610,000	\$1,220,000	Not Started	Road Enhancement	1
QLD	Cloncurry Shire Council - Clean Yards Access Road upgrade, Cloncurry	Upgrade of the Clean Yards Access Road including pavement, sealing and drainage works	\$442,783	\$885,566	Under Construction	Road Enhancement	1
QLD	Cairns Regional Council - Links Drive Upgrade, Woree	Rehabilitation of Links Drive and road widening to provide a B-Double vehicle route.	\$980,000	\$1,960,000	Not Started	Road Enhancement	1
QLD	Toowoomba Regional Council - Dalby Nugil Road - Stage 1, Irvingdale	Upgrading of existing single lane road to 2 lane seal road	\$1,151,399	\$2,302,798	Not Started	Road Enhancement	1
QLD	Toowoomba Regional Council - Bowenville Moola Road - Stage 2, Irvingdale	Upgrading of existing single lane road to 2 lane seal road and intersection improvements	\$1,163,000	\$2,326,000	Not Started	Road Enhancement	1
QLD	Toowoomba Regional Council - Oakey Biddeston Road - Stage 1, Oakey	Widening and strengthening of existing 2 lane seal road	\$1,024,850	\$2,049,700	Not Started	Road Enhancement	1

Heavy Vehicle Safety and Productivity Program Round Seven

Projects as at 28 October 2021

State	Project Name	Project Description	Total AGC (\$)	Total Project Cost (\$)	Progress Status	Category	Number of Facilities
QLD	Scenic Rim Regional Council - Kerry Road - Stage 1, Kerry	Upgrade and widen 750m of Kerry Road from one lane to two lanes to current standards for heavy vehicles and new two lane concrete bridge to replace single lane, timber bridge.	\$2,000,000	\$4,315,128	Not Started	Road Enhancement	1
QLD	Scenic Rim Regional Council - Kerry Road - Stage 2, Nindooinbah	Upgrade and widen 3 kilometres of Kerry Road from one lane to two lanes to current standards for heavy vehicles.	\$2,000,000	\$4,146,334	Under Construction	Road Enhancement	1
QLD	Rockhampton Regional Council - Boongary Road upgrade, Kabra	Pavement strengthening to 9m formation, full width seal, minor drainage works	\$977,500	\$1,955,000	Not Started	Road Enhancement	1
QLD	Rockhampton Regional Council - Glenmore Road upgrade, Park Avenue	Pavement widening, strengthening, installation of channelised right turn lanes	\$887,250	\$1,774,500	Not Started	Road Enhancement	1
VIC	Northern Grampians Shire Council - Campbells Bridge Road upgrade, Campbells Bridge	Widen the seal to 6.2m wide for 9.1kms of road, upgrade intersections improving road safety and productivity.	\$376,000	\$752,000	Under Construction	Other	1
QLD	Hope Vale Aboriginal Shire Council - Heavy Vehicle Bypass of Hope Vale	Through sealing the existing Heavy Vehicle Bypass to FNQROC standards, Council to have an all weather heavy vehicle bypass that aims to redirect heavy traffic currently damaging township roads, and coming into close contact with schools and CBD.	\$500,000	\$1,050,000	Not Started	Road Enhancement	1
QLD	Fraser Coast Regional Council - Craignish Road - Hornes to Karraschs Road upgrade, Craignish	Project improves access to and from Dundowran Road.	\$993,528	\$1,987,057	Not Started	Road Enhancement	1
QLD	Fraser Coast Regional Council - Hornes Road - Craignish to Cork Roads upgrade, Takura	Project improves access for PBS 3 Axle Truck, 4 Axle Dog Trailer, and 26m B-Doubles improving 'first mile' activity from two quarries	\$989,770	\$1,979,541	Not Started	Road Enhancement	1
QLD	Balonne Shire Council - Hebel Goodooga Road upgrade, Hebel	Sealing the Hebel Goodooga Road from Hebel to the QLD / NSW border, 6.63kms in length.	\$667,460	\$1,334,920	Not Started	Road Enhancement	1
QLD	Townsville City Council - Lansdown Eco-Industrial Precinct upgrade, Calcium	The project integrates both road and rail upgrades at the site location in order to enable increased heavy vehicle movements while also enhancing the long-term strategic opportunities for increasing long-haul and short-haul rail usage. This will be achieved via the construction of one new road and an upgrade to existing road infrastructure.	\$2,000,000	\$6,993,732	In Planning	Road Enhancement	1

Heavy Vehicle Safety and Productivity Program Round Seven

Projects as at 28 October 2021

State	Project Name	Project Description	Total AGC (\$)	Total Project Cost (\$)	Progress Status	Category	Number of Facilities
QLD	Isaac Regional Council - Isaac Rural Rehabilitation Program - Stage 1, Wolfgang	Huntley Road: In situ stabilisation of pavement with two-coat sealing and linemarking	\$28,030	\$56,061	Not Started	Road Enhancement	1
QLD	Isaac Regional Council - Isaac Rural Rehabilitation Program - Stage 2, Kilcummin	Kenlogan Road: In situ stabilisation of pavement with two-coat sealing and linemarking	\$170,280	\$340,560	Not Started	Road Enhancement	1
QLD	Maranoa Regional Council - Roma Saleyards Precinct – Primaries Road Loop Extension	Extend Primaries Road including a bitumen surface to provide improved traffic management for users to the Roma Saleyards Facility	\$675,000	\$1,350,000	Not Started	Road Enhancement	1
QLD	Maranoa Regional Council - Creek Street upgrade, Amby	Heavy vehicle pavement upgrade and 8m wide seal of Creek and Chambers Street section, Amby from Warrego Highway to Springfield Road. Includes curve widening and drainage works at the intersection of Creek and Chambers Street	\$157,500	\$315,000	Not Started	Road Enhancement	1
QLD	Lockyer Valley Regional Council - Flagstone Creek and Lockyer Creek Roads intersection upgrade, Helidon	Upgrade the intersection to accommodate heavy vehicles movements	\$375,000	\$750,000	Not Started	Road Enhancement	1
QLD	Lockyer Valley Regional Council - Grantham Scrub and Grantham Winwill Roads intersection upgrade, Winwill	Increase the physical size of the intersection to accommodate swept paths.	\$167,220	\$334,440	Not Started	Road Enhancement	1
QLD	Lockyer Valley Regional Council - Gatton Industrial Estate intersection upgrade	Upgrade the intersection to accommodate heavy vehicles movements in vicinity.	\$282,949	\$565,898	Not Started	Road Enhancement	1
QLD	Lockyer Valley Regional Council - Flagstone Creek Road intersections upgrade, Carpendale	Upgrade the intersection to accommodate heavy vehicles movements in vicinity	\$375,000	\$750,000	Not Started	Road Enhancement	1
QLD	Goondiwindi Regional Council - Inglewood Industrial Estate intersection upgrade	Upgrade the intersection of Tomkins St and Killen St Inglewood to allow safe access for type 1 Road Trains	\$54,043	\$108,086	Not Started	Road Enhancement	1
QLD	Gympie Regional Council - Rammutt Road upgrade, Chatsworth	Widening and strengthening of an existing narrow two lane bitumen road	\$486,314	\$972,628	Not Started	Road Enhancement	1
QLD	Blackall-Tambo Regional Council - Blackall Saleyards upgrade	Alternative Heavy Vehicle Route	\$950,000	\$1,900,000	Not Started	Road Enhancement	1
QLD	Longreach Regional Council - Western Queensland Livestock Exchange, Longreach	Upgrade of HV access, loading and unloading ramps, traffic movement and driver amenities.	\$550,770	\$1,101,540	Under Construction	Road Enhancement	1

Heavy Vehicle Safety and Productivity Program Round Seven

Projects as at 28 October 2021

State	Project Name	Project Description	Total AGC (\$)	Total Project Cost (\$)	Progress Status	Category	Number of Facilities
SA	SA, Department for Infrastructure and Transport - Petersburg Road upgrade, Ucolta	Shoulder sealing and hazard protection	\$1,500,000	\$3,000,000	In Planning	Road Enhancement	1
SA	Town of Gawler - Murray Street - Stage 7, Gawler South	The project will improve connection between the DPTI maintained road network of Adelaide Rd and Lyndoch Rd.	\$463,000	\$1,780,339	Under Construction	Road Enhancement	1
SA	Yorke Peninsula Council - Gardner Street and Fowler Terrace upgrades, Price	Widen and reconstruct Gardner Street and Fowler Terrace	\$756,000	\$1,512,000	Not Started	Road Enhancement	1
SA	Wattle Range Council - Border Road upgrade, Penola	Upgrade Border Road to improve safety and to accommodate A Double standard transportation	\$2,000,000	\$4,000,000	Not Started	Road Enhancement	1
SA	Wattle Range Council - Wattle Range Intersection upgrades package, Penola	Structural improvement to various road intersections	\$900,000	\$1,800,000	Not Started	Road Enhancement	1
SA	Light Regional Council - East Terrace - Thiele Highway and Perry Road upgrade package, Kapunda	East Terrace between Thiele Hwy and Perry Road including two intersections	\$1,900,000	\$3,800,000	Not Started	Road Enhancement	1
SA	Light Regional Council - College Road Upgrade, Wasleys	Upgrade College Road Between Cliff Road and Mudla Wirra Road.	\$600,000	\$1,200,000	Not Started	Road Enhancement	1
WA	Shire of Coolgardie - Bayley Street (Great Eastern Hwy) upgrade , Bullabulling	The project will install visual aids and parallel parking bays reducing safety issues for drivers and pedestrians	\$917,844	\$1,835,688	Not Started	Parking and Decoupling bay	1
SA	Light Regional Council - Oates, Hatcher and Wilkinson Roads upgrade, Ward Belt	Oates, Hatcher and Wilkinson Road Between Redbanks Road and Two Wells Road.	\$1,175,000	\$2,350,000	Not Started	Road Enhancement	1
SA	Adelaide Plains Council - Mallala and Old Port Wakefield Roads roundabout upgrade, Two Wells	The delivery of a large roundabout, catering for PBS Level 3A vehicles, to replace an existing T-Junction limited to B-Double access.	\$439,500	\$879,000	Not Started	Road Enhancement	1
SA	District Council of Loxton Waikerie - Loxton Waikerie National Highway intersection upgrade package, Paruna	Upgrades to 13 of the district's key intersections will enable gazettal for B Double HML and PBS Level 2 routes which will improve the productivity, safety and accessibility of heavy vehicle operations. It will enable heavier and larger vehicles to access the district, reducing freight costs, particularly for primary producers.	\$1,300,000	\$2,600,000	Not Started	Road Enhancement	1

Heavy Vehicle Safety and Productivity Program Round Seven

Projects as at 28 October 2021

State	Project Name	Project Description	Total AGC (\$)	Total Project Cost (\$)	Progress Status	Category	Number of Facilities
SA	District Council of Loxton Waikerie - Loxton Waikerie Regional Intersection upgrade package	Upgrades to 85 of the district's key intersections will enable gazettal for B Double HML and PBS Level 2 routes which will improve the productivity, safety and accessibility of heavy vehicle operations. It will enable heavier and larger vehicles to access the district, reducing freight costs, particularly for primary producers.	\$2,000,000	\$4,250,000	Not Started	Road Enhancement	85
SA	District Council of Loxton Waikerie - Taplan Road Livestock and Grain Productivity Project, Woodleigh	Construction and sealing Taplan Road will enable its gazettal for B Double HML and PBS Level 2 which will improve the productivity, safety and accessibility of heavy vehicle operations. The project will also improve road networks for all transport users, building and connecting to the region's freight network and the national freight routes of the Sturt, Mallee and Dukes Highways.	\$1,020,000	\$2,040,000	Not Started	Road Enhancement	1
TAS	Department of State Growth - Railton Main Road upgrade, Latrobe	Railton Main Road Shoulder Widening Dulverton Road to Dawsons Siding Road ch 4.62 km to 8.6km.	\$2,500,000	\$5,000,000	Under Construction	Road Enhancement	1
TAS	Dorset Council - Carisbrook Lane Upgrade - Stage 2, Legerwood	Strengthening and widening of 1300m of Carisbrook Lane.	\$461,652	\$923,304	Under Construction	Road Enhancement	1
TAS	Circular Head Council - Mella Road upgrade, Mella	Reconstruct and augment existing pavement throughout Mella Road including upgraded formation and line marking.	\$548,000	\$1,096,000	Completed	Road Enhancement	1
VIC	Victoria, Department of Transport - Henty Highway - Horsham to Lascelles upgrade, Dooen	The project includes widening and sealing of shoulders. Wide centreline treatment may be included.	\$2,000,000	\$4,000,000	Not Started	Road Enhancement	1
QLD	Richmond Shire Council - Richmond Heavy Vehicle Rest Stop	Creation of a heavy vehicle rest stop opposite the only road house in Richmond	\$139,405	\$278,810	Not Started	Parking and Decoupling bay	1
VIC	Swan Hill Rural City Council - Kenley Road upgrade, Towaninny	Reconstruct 6.5km on Kenley Road widening road from 3.9m seal to 6.2m seal with 2m unsealed shoulders.	\$480,000	\$960,000	Completed	Road Enhancement	1
VIC	Swan Hill Rural City Council - Mayala Road Reconstruction, Robinvale	Reconstruct 2.5km on Mayala Road widening road from 3.9m seal to 6.2m seal with 2m unsealed shoulders.	\$205,000	\$521,250	Completed	Road Enhancement	1
VIC	Hindmarsh Shire Council - Albacutya Road upgrade, Rainbow	1.2km road widening of narrow bend and crest on heavily used truck route	\$138,203	\$276,407	In Planning	Road Enhancement	1
