Supporting priority land transport infrastructure projects

The Australian Government remains dedicated to the delivery of a sustainable and economically advantageous 10-year \$120 billion infrastructure investment pipeline. This investment is designed to enhance productivity and resilience, liveability and sustainability, while also addressing inflation and cost of living pressures.

As at 2024-25 MYEFO, the Government's total commitment to the Australian Capital Territory under the Infrastructure Investment Program, over the next 10-years is **\$820 million**.

This includes **\$648 million** towards major road and rail projects and **\$172 million** for smaller projects and programs such as the Roads to Recovery, Safer Local Roads and Infrastructure and the Black Spots programs.

The Government remains dedicated to working for all Australians by delivering nationally significant infrastructure projects that enhance productivity and resilience, improve liveability, and promote sustainability.
