Black Spot Program Nomination Form

February 2026

The Black Spot Program implements safety measures on our roads, where crashes are occurring, or are at risk of occurring. Anyone can nominate a Black Spot for consideration. Eligible nominations are considered on an annual basis by consultative panels of road safety experts in each state or territory.

Eligible treatments include traffic lights, roundabouts, linemarking, safety barriers, speed limit reductions, and pedestrian crossings. You can nominate a site by providing details in the form below, and returning it to the Road Authority in your state or territory. Contact details are provided on the following page.

Road Name	
Intersecting Road (if any):	
Suburb	
Shire or Council	
Describe your concerns:	
Describe the location:	

Your details

Privacy and collection statement

The Department of Infrastructure, Transport, Regional Development, Communications and the Arts (the Department) is collecting personal information for the purposes of administering the Black Spot Program, in accordance with the Privacy Act 1988. The Department will use your personal information for further contact in relation to your nomination (if required) and will store this information securely.

The Department will disclose the information you supply to the state and territory governments, as they are responsible for the assessment of nominations. If you do not provide the information requested, we will not be able to contact you in relation to your nomination.

The Department's privacy policy contains information regarding complaint handling processes and how to access and/or seek correction of personal information held by the Department. The Privacy Officer can be contacted at: privacy@infrastructure.gov.au.
