

Northern Territory

Bagot Road Safety and Capacity Upgrades

Infrastructure Investment Program

Connecting Australians | Enriching Communities | Empowering Regions
Supporting Priority Land Transport Infrastructure Projects

Project Scope

This project will upgrade the intersections of Bagot Road with Fitzer Drive, Totem Road and Osgood Drive.

Key elements include the installation of new traffic signals and the construction of dedicated turning lanes at both intersections.

Funding

Total Commitment: \$30 million

Australian Government Commitment: \$24 million

Northern Territory Government Commitment: \$6 million

Benefits

- Increased capacity
- Improved network reliability
- Improved network efficiency
- Improved safety
- Improved productivity
- Improved freight efficiency and reliability
- Improved accessibility
- Supports regional connectivity

Delivery Timeframes

Delivery is anticipated to commence in early 2028, with completion anticipated around late 2028.
