Connecting Australians | Enriching Communities | Empowering Regions
Supporting priority land transport infrastructure projects.

The Australian Government is committed to ensuring the sustainability of the 10-year, over \$120 billion infrastructure investment pipeline, delivering nationally significant projects while considering the impacts of inflation and cost of living pressures on Australians.

Through the 2024-25 MYEFO, the Government is focused on managing cost pressures by implementing strategies for existing projects and maintaining our commitment to responsible financial management.

Over **\$60 million** has been committed towards existing projects to ensure the continued delivery of essential road infrastructure upgrades within the Northern Territory.

As at 2024-25 MYEFO, the Government's total commitment to the Northern Territory under the Infrastructure Investment Program, over the next 10-years is **\$2.8 billion**, including **\$2.5 billion** towards major road projects and **\$290 million** for smaller projects and programs such as the Roads to Recovery, Safer Local Roads and Infrastructure and the Black Spots programs.

The Government remains dedicated to working for all Australians by delivering nationally significant infrastructure projects that enhance productivity and resilience, improve liveability, and promote sustainability.
