Bruce Highway South Corridor

Infrastructure Investment Program

As at 2026-27 Budget

Total AGC	\$6,697.5 million
Corridor Description	The Bruce Highway South Corridor is broadly located on the National Land Transport Network in Queensland from Brisbane to Gladstone.
Benefits	<ul style="list-style-type: none">• Increased safety• Increased capacity• Increased freight efficiency• Increased flood immunity
Funding Program	Infrastructure Investment Program - Road Investment
Transport Mode	Road
State	QLD

Projects within the Bruce Highway South Corridor:

Bruce Highway - Anzac Avenue to Uhlmann Road

The project is undertaking planning and design work to widen the Bruce Highway from six to eight lanes from Anzac Avenue to Uhlmann Road and will construct the first section from Anzac Avenue to Boundary Road.

Bruce Highway - Anzac Avenue - Uhlmann Road - Business Case

The project completed a business case for upgrades to the Bruce Highway between Anzac Avenue and Uhlmann Road.

Bruce Highway - Buchanan Road - Caboolture Bribie Island Road - Business Case

The project is completing a business case for upgrades to the Bruce Highway between Buchanan Road and Caboolture Bribie Island Road.

Bruce Highway - Caboolture-Bribie Island Road to Steve Irwin Way

The project upgraded an 11-kilometre section of the Bruce Highway by providing a six-lane divided carriageway between Caboolture-Bribie Island Road and Steve Irwin Way.

Bruce Highway - Caloundra Road to Sunshine Motorway

The project upgraded a 7-kilometre section of the Bruce Highway by providing a six-lane divided highway between the Caloundra Road Interchange and the Sunshine Motorway.

Bruce Highway - Cooroy to Curra - Planning and Design

The project completed planning, design and property acquisitions to upgrade a 65-kilometre section of the Bruce Highway from Cooroy to Curra.

Bruce Highway - Cooroy to Curra - Section D

The project constructed a new 26-kilometre four-lane bypass of Gympie between the Woondum Interchange and Curra.

Bruce Highway - Cooroy to Curra - Section D (Planning and Design)

The project completed planning and design work for a new 26-kilometre four-lane bypass of Gympie between the Woondum Interchange and Curra.

Bruce Highway - Deception Bay Road Interchange Upgrade

The project completed upgrades to the Deception Bay Road Interchange including the upgrade of entry and exit ramps, two new parallel bridges over the Bruce Highway and two signalised intersections on Deception Bay Road.

Bruce Highway - Dohles Rocks Road to Anzac Avenue (Stage 1)

The project will upgrade the Bruce Highway between Dohles Rocks Road and Anzac Avenue, including new northbound and southbound ramps, and intersection upgrades.

Bruce Highway - Gateway Motorway to Dohles Rocks Road (Stage 1)

The project will upgrade the interchange of the Bruce Highway, Gateway Motorway and Gympie Arterial Road. This includes improving the Gateway Motorway and Bruce Highway from Bald Hills Creek to south of the Pine River.

Bruce Highway - Gateway Motorway to Dohles Rocks Road (Stage 2)

The project will construct collector-distributor roads and new bridges across the Pine River from the Bruce Highway interchange with the Gateway Motorway and Gympie Arterial Road to north of the Bruce Highway interchange with Dohles Rocks Road.

Bruce Highway - Gateway Motorway to Dohles Rocks Road (Stage 2) - Business Case

The project is reviewing and updating the business case and completing a preliminary design for the construction of the Bruce Highway - Gateway Motorway to Dohles Rocks Road (Stage 2).

Bruce Highway - Linkfield Road Overpass

The project will widen Linkfield Road between Gympie Road and Lacey Road to four lanes and construct two parallel bridges over Gympie Arterial Road. The project will also upgrade and signalise access ramps connecting Linkfield Road.

Bruce Highway - Maroochydore Road and Mons Road Interchanges Upgrade

The project upgraded the Maroochydore Road and Mons Road Interchanges, constructed new two-way eastern and western service roads, reconfigured entry and exit ramps at Mons Road and widened the Mons Road Underpass.

Bruce Highway - Pine River to Caloundra Road Interchange - Planning

The project completed planning, design work and priority upgrades along the Bruce Highway from Pine River to Caloundra Road Interchange.

Bruce Highway - Pine River to Caloundra Road Smart Motorways (Stage 2)

The project delivered smart technology upgrades and undertook critical asset renewal along a 60-kilometre section of the Bruce Highway between Pine River and Caloundra Road.

Bruce Highway - Saltwater Creek Upgrade

The project delivered upgrades to four existing floodway sections north of Saltwater Creek between Maryborough and Torbanlea.

Bruce Highway - Tiaro Bypass

The project is expected to completed planning and design work and construct a new 9.4-kilometre four-lane bypass of Tiaro, south of Maryborough.

Bruce Highway - Uhlmann Road - Buchanan Road - Business Case

The project is delivering a business case for upgrades to the Bruce Highway between Uhlmann Road and Buchanan Road.

Bruce Highway - Wide Bay Highway Intersection Upgrade

The project constructed a single lane roundabout and speed reduction curves on the Bruce Highway at the intersection with the Wide Bay Highway.

Gateway Motorway - Bracken Ridge to Pine River

The project will upgrade the four-lane section of the Gateway Motorway from Bracken Ridge to the interchange with the Bruce Highway and the Gympie Arterial Road.
