

# New South Wales

## Sydney to Canberra Rail Corridor Upgrade

Infrastructure Investment Program

Connecting Australians | Enriching Communities | Empowering Regions  
**Supporting Priority Land Transport Infrastructure Projects**

### Project Scope

This project will deliver short-term upgrades to the Sydney to Canberra rail corridor and develop a business case for longer-term initiatives.

Key elements include corridor upgrades and business case development to support improved efficiency, travel times and passenger rail services.

### Funding

**Total Commitment:** \$100 million

**Australian Government Commitment:** \$50 million

**New South Wales Government Commitment:** \$25 million

**Austalian Capital Territory Government Commitment:** \$25 million

### Benefits

- Increased capacity
- Improved network reliability
- Improved network efficiency
- Improved freight efficiency and reliability
- Supports net-zero and emission reduction outcomes
- Improved fuel and energy efficiency
- Supports climate resilience

### Delivery Timeframes

Delivery is anticipated to commence in 2026, with completion anticipated around mid-2031
