Projects within the Arthur Highway Corridor:

Arthur Highway – Planning

The project will undertake planning for safety upgrades to the Arthur Highway between Sorell and Port Arthur.

Arthur Highway Sorell Rivulet Bridge

The project aims to widen the Sorell Rivulet Bridge in Sorell including new shared user paths on both sides, benefiting a growing community and various users including agricultural and water supply businesses, tourists and local residents.

Arthur Highway Upgrades

The project will deliver safety upgrades along the Arthur Highway, including new overtaking lanes, key intersection upgrades, cross-section and geometry improvements, signage and delineation improvements, active and public transport improvements and tourism pullover areas.
