

## Victoria Black Spots Program 2025-26

Project Name	Project Description	Australian Government Funding	Eligible Funding Recipient
Mount Pleasant Road North Valley Road HIGHTON	Install raised crossings on all approaches of the Mt Pleasant Rd-North Valley Rd intersection, extend kerb outstands and add tactile paving, signage, and lighting.	\$495,000	Victoria, Department of Transport
Garsed Street Arthur Street BENDIGO	Install raised crossing at Garsed Street and kerb extension at Edward Street.	\$180,866	Victoria, Department of Transport
Three Chains Road west of Birdies Lane LANCEFIELD	Install safety barrier with motorcycle protection rail, audio-tactile line marking, raised reflective pavement markers, guide posts.	\$411,000	Victoria, Department of Transport
Paschendale Avenue Fifth Street MERBEIN	Intersection upgrade including Vehicle Activated Warning System (Stop Signs Ahead), new warning signs, concrete median splitter islands, kerb returns, intersection lighting, skid resistance, pavement reconstruction and widening.	\$1,715,000	Victoria, Department of Transport
Blackgate Road Horseshoe Bend Road MOUNT DUNEED	Construct a raised compact roundabout with raised safety platforms on all approaches.	\$1,368,000	Victoria, Department of Transport
Denham Street Barton Street HAWTHORN	Install Speed cushions on north, south & east approaches, Raised crossing on west approach, Sharrows, upgrade street lighting and other supporting treatments.	\$130,000	Victoria, Department of Transport
Queens Road Wandin East Road WANDIN EAST	Install a compact roundabout with raised safety platforms on all four approach legs, and enhanced signage and line marking.	\$1,989,250	Victoria, Department of Transport
Gregis Road Mount Cottrell Road MOUNT COTTRELL	Install a roundabout.	\$756,000	Victoria, Department of Transport
Dunns Road Bound by Nepean Highway, Mornington-Tyabb Road, Dunns Road, and Bentons Road MORNINGTON	Installation of an area-wide 40 km/h speed, including associated signage, 40 km/h pavement markings, and speed reduction traffic management treatments.	\$929,000	Victoria, Department of Transport

Tucks Road Shands Road MAIN RIDGE	Installation of a raised intersection with road safety platforms on approach to the intersection, Installation of RRPMS, Relocation of speed limit signage and sealing of Tucks Road (South leg for approximately 50m).	\$785,000	Victoria, Department of Transport
Grant Street Nihil Street ALEXANDRA	Retrofit the existing platform with a wombat crossing and kerb outstand on the north leg, and install wombat crossings and kerb outstands on all other approaches. Extend the central island radius at the roundabout through line marking. Upgrade or install lighting.	\$439,000	Victoria, Department of Transport
Goorambat-Thoona Road Hammond Road GOORAMBAT	Installation of safety barriers and warning signage, realignment of the Bungeet Rd approach and installation of a splitter island, installation of street lighting, road widening and shoulder sealing, consider removing roadside hazards and consider speed limit reduction.	\$1,007,000	Victoria, Department of Transport
Little Chapel Street King Street PRAHRAN	Raising of the four at-grade crossings at Lt Chapel St; Install three new raised pedestrian crossings at Lt Chapel St/Malvern Rd, King St, and Bangs St.	\$1,725,000	Victoria, Department of Transport
Eastbourne Road Bound by Truemans Road, Point Nepean Road, and Boneo Road ROSEBUD WEST	Install area-wide 40 km/h speed, including associated signage, install speed reduction treatments to support existing treatments (i.e. raised safety platforms).	\$1,212,000	Victoria, Department of Transport
Malone Street Western Beach Road and Cavendish Street GEELONG	Construct a half roundabout and raised priority crossings.	\$428,000	Victoria, Department of Transport
Wilsons Road between Esplanade and Nepean Highway MORNINGTON	Installation of splitter islands and kerb extensions at intersections, wombat crossings, green pavement at conflict points, and lighting. Consider speed reduction to 50km/h.	\$427,000	Victoria, Department of Transport
Browns Road Jetty Road BONEO	Install a splitter island and associated signage, concrete apron at the intersection, speed advisory signs, cyclist warning signs, and curve advisory signage.	\$117,000	Victoria, Department of Transport
Forest Road between Gum Flats Road and Great Ocean	Improve delineation. Install safety barriers and advanced warning signs (speed advisory, Curve advisory).	\$283,000	Victoria, Department of Transport

Road BELLBRAE			
Edwardes Street Banbury Road RESERVOIR	Fully Controlled Right Turn on east approach, realign pedestrian crosswalk, widen the road on Banbury St and Edwardes St, reconstruct pram ramps and provide TGS's, extend left turn lane on west approach, Pedestrian head start for Edwardes St crossing.	\$235,000	Victoria, Department of Transport
Hyland Highway Shakespeare Street TRARALGON	Install Raised Safety Platforms on the east and south approaches, consider extending the 60 km/h zone on the south approach, realign lane and pedestrian connections, extend splitter islands, and other improvement works.	\$1,780,000	Victoria, Department of Transport
Clegg Road Wellington Road WANDIN NORTH	Install approach road hump, intersection road hump at the north approach of the intersection on Wellington Road. Installation of kerb and channel, splitter island. Lighting upgrades and pavement improvements.	\$677,000	Victoria, Department of Transport
Kilberry Boulevard Warana Drive HAMPTON PARK	Install Raised Safety Platforms on Kilberry Boulevard and Warana Drive.	\$168,180	Victoria, Department of Transport
McNairn Road Tulloch Way TRARALGON	Install pedestrian refuge island, warning signs, street lighting, and parking restrictions signs, painted median strip between the pedestrian refuges. Construct new footpath connection on east side of McNairn Road.	\$355,000	Victoria, Department of Transport
Exford Road Mitchell Road MELTON SOUTH	Realign existing traffic and bicycle lanes along Exford Rd to provide channelised right turn short lane into Mitchell Rd.	\$129,000	Victoria, Department of Transport
Bridge Road Siding Avenue OFFICER	Implement Fully Controlled Right Turn.	\$32,000	Victoria, Department of Transport
Beenak Road Queens Road WANDIN NORTH	Realigning the intersection to a staggered T-intersection on Beenak Road.	\$759,000	Victoria, Department of Transport
Corio-Waurn Ponds Road Sparks Road NORLANE	Implement Fully Controlled Right Turn and Pedestrian head start on Sparks Road. consider signage and line marking update.	\$393,000	Victoria, Department of Transport
Station Street Kendall Street RINGWOOD	Construction of a raised safety platform at the existing signalised pedestrian crossing.	\$100,000	Victoria, Department of Transport

Separation Street Hughes St BELL PARK	Install concrete splitter islands on Hughes Street and advanced warning signs on Hughes Street approach to the intersection. Update line marking and signage near the intersection.	\$482,000	Victoria, Department of Transport
Macclesfield Road between Giles Road and 931 Macclesfield Road YELLINGBO	Apply high friction overlay at two bends on Macclesfield Road including at Giles Road intersection.	\$189,660	Victoria, Department of Transport
Colchester Road Newington Avenue ROSEBUD	Install a raised intersection at Colchester Road and Newington Avenue. Install skid-resistant surface treatment at the bend between Colchester Rd and Jennings Ct.	\$210,000	Victoria, Department of Transport
Dundas Street St David Street THORNBURY	Install raised crossings with kerb extension on the east and west approaches of the roundabout, Raised Safety Platform on the northern approach, lighting, sharrows, and pedestrian fencing. Extend bicycle lane. Consider parking removal.	\$374,000	Victoria, Department of Transport
Dickins Road Ghazeepore Road FRESHWATER CREEK	Install four raised platforms on Dickins Rd on approach to intersection and lighting. Install splitter islands on Dickins Rd including associated shoulder sealing, drainage, signs and line marking.	\$450,000	Victoria, Department of Transport
Douglas Parade between North Road and Ferguson Street WILLIAMSTOWN	Install four raised safety platforms on Douglas Parade and associated signage and line marking, Install two wombat crossings on Douglas Parade adjacent to the Stevedore Street roundabout. Street lighting and drainage upgrades where required.	\$405,000	Victoria, Department of Transport
Glengala Road Mernda Street SUNSHINE WEST	Install roundabout and raised safety platforms on all approaches except the north. Relocate power pole on the southwestern corner of the intersection. Remove the existing refuge crossing on Glengala Road.	\$504,000	Victoria, Department of Transport
McCrae Street Foster St DANDENONG	Install Raised Safety Platforms on approach to intersections, crossings and mid-block. Modify kerb islands and line marking. Consider speed reduction to 50 km/h.	\$1,444,250	Victoria, Department of Transport

Prospect Hill Road Highfield Road CANTERBURY	Install zebra crossings, warning signs, and speed cushions (before the zebra crossings). Consider speed limit reductions on southern & eastern legs from 50 km/h to 40 km/h. Upgrade lighting.	\$130,000	Victoria, Department of Transport
Burke Street Lardners Track WARRAGUL	Provision of anti-skid resistant surfacing, install lighting, upgrade line marking, audio-tactile line marking and edge lines on approach. Install Warning Signs on approach.	\$268,000	Victoria, Department of Transport
Clow Street Foster Street DANDENONG	Install raised safety platforms including at existing pedestrian operated signals and converting school crossing to wombat crossing. Consider a speed limit reduction to 50 km/h.	\$761,910	Victoria, Department of Transport
Darian Road Surf Coast Highway TORQUAY	Install speed humps along Darian Road with line marking to reconfigure the shared bicycle and parking lanes.	\$262,000	Victoria, Department of Transport
Stevedore Street Lenore Crescent WILLIAMSTOWN	Install mid-block raised safety platforms (RSP) including kerb outstands. Upgrade associated signage, line marking and lighting.	\$178,000	Victoria, Department of Transport
Beenak road Hunter Road WANDIN NORTH	Install road humps on the approach to the intersection.	\$359,000	Victoria, Department of Transport
Mont Albert Road Faversham Road CANTERBURY	Install "Slow Down" line marking and rumble strips, advanced warning signs, cyclist activated flashing LED studs, and flashing warning signs.	\$314,000	Victoria, Department of Transport
Vickerys Road Nortons Road BELLBRAE	Install Safety Barriers at high risk locations, and delineation of curves including line marking, guideposts and warning signs. Roadside hazard removal. Consider speed limit reduction to 80km/hr north of Portreath Rd.	\$294,000	Victoria, Department of Transport
Northside Drive The Parade WOLLERT	Install raised safety platforms on all approaches of The Parade/Champions Parade/Northside Drive roundabout.	\$59,600	Victoria, Department of Transport
The Esplanade Bell Street TORQUAY	Install roundabout modifications, warning signs, and sharrows. Lane narrowing and separation of cycle lanes. Install removable speed cushions along Esplanade, and three raised crossings at Bell St.	\$927,000	Victoria, Department of Transport

	Consider 40 km/h speed zone extension on Esplanade to Horseshoe Bend Rd.		
Doctors Gully Road between Yan Yean Road and Hurstbridge-Arthurs Creek Road DOREEN	Install traffic islands, safety barriers, anti-slip asphalt, asphalt gravel areas, line markings, and warning signs. Consider speed limit reduction to 60 km/h on section of road.	\$630,000	Victoria, Department of Transport
Broadford-Wandong Road between Goodenia Court and Saunders Road BROADFORD	Upgrade street lighting and delineation improvements (guideposts and raised reflective pavement markers). Consider a speed limit reduction to 80 Km/h.	\$265,000	Victoria, Department of Transport
Bailey Road Third Avenue COCKATOO	Install calcined bauxite skid resistance overlay for existing pavement on the northbound lane through the curve; Install motorcycle protection rub rail under the existing guard rail; Install or upgrade warning signs and curve alignment markers.	\$128,000	Victoria, Department of Transport
Forest Drive Nepean Highway MOUNT MARTHA	Install safety barriers at high-risk locations, audio-tactile centre line markings, and Curve Alignment Markers. Consider Speed reduction from 80km/h to 70 km/h.	\$264,000	Victoria, Department of Transport
Union road Mont Albert Road SURREY HILLS	Modification of existing signal lanterns and signal phasing at the Mont Albert Road / Union Road intersection to provide partially controlled right turn phases and LED Give Way to Pedestrians signs on all approaches.	\$213,000	Victoria, Department of Transport
Charman Road Park Road CHELTENHAM	Install raised intersection, flashing "Give Way To Pedestrians" signs facing right-turning vehicles from the north and south approaches, PUFFIN operation and early start for the pedestrian crossings on the east and west legs.	\$702,000	Victoria, Department of Transport
Lancefield-Pyalong Road Mt William Road HIGH CAMP	Install safety barriers, widen the inside of the curve and install a wide centreline.	\$941,000	Victoria, Department of Transport
Windham Street Queen Street WALLAN	Install a roundabout with a semi-mountable island, a raised priority crossing on the southern leg and two raised safety platforms on the northern and eastern legs.	\$855,000	Victoria, Department of Transport

Kilmore East Road west of Ogradys Road KILMORE	Install safety barriers, and painted wide centreline. Upgrade associated signage, line marking and delineation.	\$740,000	Victoria, Department of Transport
Colchester Road Mount Dandenong Road KILSYTH	Upgrade of lighting.	\$261,000	Victoria, Department of Transport
Balfour Road Princes Highway DROUIN	Install new safety barriers. Upgrade and extend the length of existing safety barriers. Install anti-skid surfacing, signage, additional delineation, and audio tactile line marking. Consider roadside hazard removal.	\$266,000	Victoria, Department of Transport
Corio-Waurn Ponds Road Roslyn Road BELMONT	Ban Right Turn from Roslyn Rd (West) onto Corio-Waurn Ponds Rd. & vice-versa. Move the Keep Clear sign on Corio-Waurn Ponds Rd. Revised Line marking on Roslyn Rd. Extend Splitter Island on Corio-Waurn Ponds Rd.	\$678,000	Victoria, Department of Transport
Mary Street Park Street ST KILDA WEST	Install Raised Safety Platforms on the northeast, southwest and southeast approaches, sharrows, line marking, and signage upgrades.	\$118,000	Victoria, Department of Transport
Corio-Waurn Ponds Road Reynolds Road BELMONT	Install Fully Controlled Right Turn from Corio Waurn Ponds Road to Reynolds Road. Controlled left turn from Reynolds Rd to Corio-Waurn Ponds Road. Update signage and line marking. Consider pedestrian head starts.	\$300,000	Victoria, Department of Transport
Goulburn Valley Highway Riverview Drive SHEPPARTON	Fully Controlled Right Turn (part-time operation) prom upgrade. Consider roadside hazard removal.	\$176,000	Victoria, Department of Transport
Anglesey Street between Loco Street and Jordan Street SEYMOUR	Installation of traffic calming measures: two raised priority crossings and two raised safety platforms.	\$611,000	Victoria, Department of Transport
Langridge Street Patterson Street MIDDLE PARK	Install kerb extensions on Patterson Street, raised crossings on Langridge Street approaches to the intersection.	\$277,000	Victoria, Department of Transport
Oban Road Wonga Road RINGWOOD	Speed treatments at Wonga Rd including installation of raised safety platforms on approach to the roundabout, and raise concrete aprons on left turn slip lanes. Install and/or upgrade lighting.	\$323,000	Victoria, Department of Transport

Yarra Road Croydon Hills Drive CROYDON HILLS	Install speed cushions and associated signage on all approaches to the roundabout. Reconstruction of kerb ramps and footpath cut-throughs at 3 legs to make each leg DDA-compliant.	\$189,000	Victoria, Department of Transport
Hume Street Piper Street YARRAWONGA	Install Roundabout at the Hume St/Piper St, associated kerb outstands, street lighting and signs/line marking. Consider area wide speed limit reduction from 50 km/h to 40 km/h.	\$463,000	Victoria, Department of Transport
Scholar Drive Enterprise Drive BUNDOORA	Install raised crossings, and kerb outstands. Consider converting Give Way to Stop Treatment.	\$339,200	Victoria, Department of Transport
Glen Alvie Road Wade Road GLEN ALVIE	Widening of road pavement, sealing of shoulders, audio tactile line marking (edge and centreline) and other safety improvements including review of guideposts and signage.	\$491,000	Victoria, Department of Transport
Widford Street View Street GLENROY	Install median islands to channelise the approach lanes, along with associated civil works. Upgrade street lighting, line markings and signage.	\$290,000	Victoria, Department of Transport
Albert Street Wilkinson Street BRUNSWICK	Install green pavement with yellow spike kerb (Riley kerb), and associated line markings and signage.	\$63,000	Victoria, Department of Transport
Ash Street Cyprus Street LALOR	Install a roundabout and supporting works.	\$421,000	Victoria, Department of Transport
James Cook Drive Sydney Parkinson Avenue ENDEAVOUR HILLS	Install raised safety platforms on all approaches to the roundabout. Upgrade signs, line marking and lighting.	\$162,600	Victoria, Department of Transport
Gladstone Road Police Road DANDENONG	Install Raised Intersections and Raised Safety Platforms. Consider lighting upgrade.	\$1,864,990	Victoria, Department of Transport
Averys Road Jobs Gully Road EAGLEHAWK	Install speed humps in Averys Rd (north of the roundabout) and Jobs Gully (east of the roundabout). Install raised crossings in Averys Rd (south of the roundabout) and Jobs Gully (west of the roundabout).	\$223,052	Victoria, Department of Transport
